

Pricing - groundMapper (Cloud GIS)

September 2026

Commercial in confidence

Pricing

The setup of groundMapper includes:

- Establishing your groundMapper instance and provision of customer URL.
- Simple site branding – inclusion of customer logo on site and map templates.
- Setting up system administrator accounts.
- Configuring access to Ordnance Survey (OS) OpenData products.
- Configuring access to licensed OS commercial data products (subject to licence).
- Configuring access to appropriate address/place gazetteer.
- Setting up Service Desk accounts for nominated users.

Any customised set up work (e.g. loading and styling of customer business datasets, setting up user accounts and assigning user roles) will be charged at our standard day rates as provided in our SFIA Rate Card.

Annual Subscription Costs (excluding VAT, travel and expenses)

	Starter	Standard	Advanced	Professional	Enterprise
No. of Users	10	50	100	250	>250
Data Transactions	1 million	2 million	3 million	5 million	>5 million
Cost	£5,495	£17,495	£34,995	£49,495	POA

*Minimum subscription term is 12 months.

The costs above include:

- Enterprise class data centre, hosting and infrastructure management services.
- Access to a suite of fully maintained national coverage Ordnance Survey open data and commercial products (subject to licence).
- 50Gb data storage for your internal business data.
- Backup and recovery.
- Customer support available via our Service Desk portal, email, and telephone from 08.30-17.30 Monday-Friday (excluding Christmas Day, Boxing Day, New Years Day)

Additional data storage is available in 50Gb blocks at £30/month, payable annually in advance as part of the annual subscription fee.

Additional Costs

Data Storage

If you require more than the initial 50Gb data storage allocation, you can purchase additional data storage from us.

Training

Training for groundMapper Users and Administrators is available and delivered online remotely using Microsoft Teams. Each course is half a day in duration. Costs for each course are as follows:

Training Course	Cost (max. 8 delegates)
groundMapper Administrator	£495
groundMapper User	£495
Custom groundMapper course	POA

Development and Consultancy Services

While the standard implementation of groundMapper will meet many business requirements, if customised development of the product is required, we would be very happy to discuss this.

For any additional development or consultancy work we will prepare a costed proposal for consideration.

Our standard day rates are provided in our SFIA Rate Card.
