Pricing notes

1. Prices are fixed list prices for the duration of the G-Cloud 15 framework and are not subject to buyer-specific negotiation.
2. Prices exclude VAT.
3. Pricing covers access to the HireRoad Recruit ATS as described in the service definition. Any optional professional services are priced and contracted separately if offered.
4. GBP and USD prices are fixed price points and are not calculated using live exchange rates.
5. Any price reduction would be applied consistently to all G-Cloud buyers and updated on the Digital Marketplace.

This pricing schedule forms part of the HireRoad G-Cloud 15 service listing and should be read in conjunction with the service definition and Call-Off Contract.
