1.0 C365Cloud Pricing Overview

Please refer to the Service Definition for a definition of the service.

C365Cloud is a SaaS health, safety and compliance management system which is flexible, cost effective and scalable for all organisations.

The number of desktop users is unlimited, and all dashboards, reports and alerts are inclusive. The product is fully supported by our own in-house help desk.

Access to our API is included in subscription.

Pricing is all inclusive meaning no hidden extras to get the product live.
