

Microsoft 365 Review

A Bechtle Packaged Solution

Unlock value, improve security, and optimise your Microsoft 365 environment.

Your Microsoft 365 tenant holds valuable insight into how your organisation uses and pays for Microsoft 365 solutions. The Microsoft 365 Review from Bechtle, delivered in partnership with SAM Assured, provides a clear, actionable analysis of your environment to improve efficiency, security, and return on investment.

In partnership with

What's included?

Cloud Overview

A high-level overview of your Microsoft 365 environment, enriched with data and analytics to show how your organisation uses Microsoft's cloud services.

User Profiling

A detailed review of user activity, the JML process, and license usage, with reporting that highlights inactive or underused accounts for recycling or realignment - ensuring you only pay for what's needed.

ROI Summary

A clear financial summary showing potential savings and efficiencies from license optimisation and account realignment.

Security Scoring

Enhanced insight powered by Microsoft Secure Score and SAM Assured's risk lens, benchmarking your tenant's security posture and highlighting improvement opportunities across identity, device compliance, and data governance.

Who's it for?

This review is ideal for organisations looking to:

- Understand how Microsoft 365 is used across their business.
- Tighten cost control while improving security posture.
- Get actionable recommendations from experienced SAM professionals.

This review is delivered by SAM Assured, an independent software asset management consultancy trusted by enterprise customers across the world, in partnership with Bechtle's sales and services team. Each engagement includes a presentation of findings and next-step recommendations, tailored to your organisation's strategic priorities.

WHY CHOOSE THIS PACKAGE?

- **Reduce waste:** Identify unused or misaligned subscriptions.
- **Enhance security:** Get a measurable view of your security readiness.
- **Maximise ROI:** Align licenses and investments with actual business use.
- **Enable decisions:** Give IT and procurement teams a data-backed roadmap for optimisation.

WHY BECHTLE?

- One of Microsoft's largest European partners.
- Europe's largest IT provider.
- Broad range of professional services, provided by certified engineers.
- End to end support across the entire Microsoft portfolio.

WHAT'S THE COST?

Prices start from **£2,000***

Pricing scoped per engagement.
