

LET YOUR LEARNING TAKE FORM

Form LMS

Form is the new Learning Management System (LMS) from Me Learning. It is a fresh and modern platform that makes delivering your organisation's learning effortless.

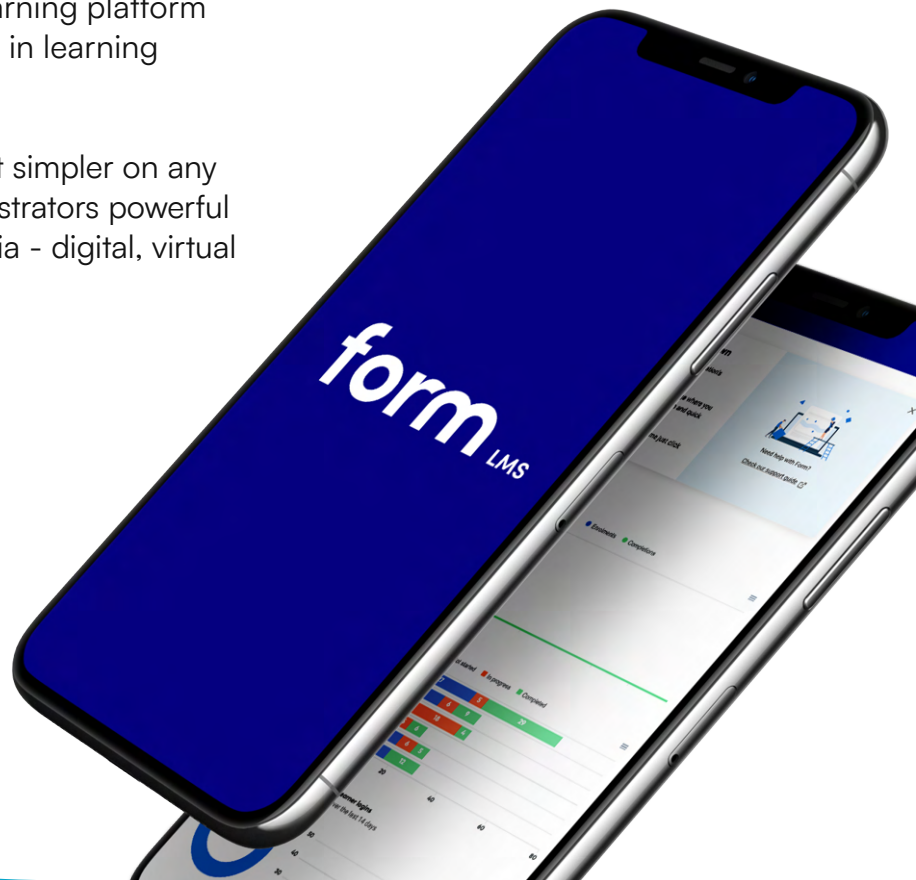

WHAT IS FORM LMS?

Form LMS - a new experience in learning.

Me Learning has invested in a new learning platform which brings you the latest innovation in learning technology.

Accessing digital learning 24/7 just got simpler on any device. Intuitive reporting gives administrators powerful insight across a range of learning media - digital, virtual and classroom learning.

Visit our website to find out more:

Integrate your learning platform with your HR system.

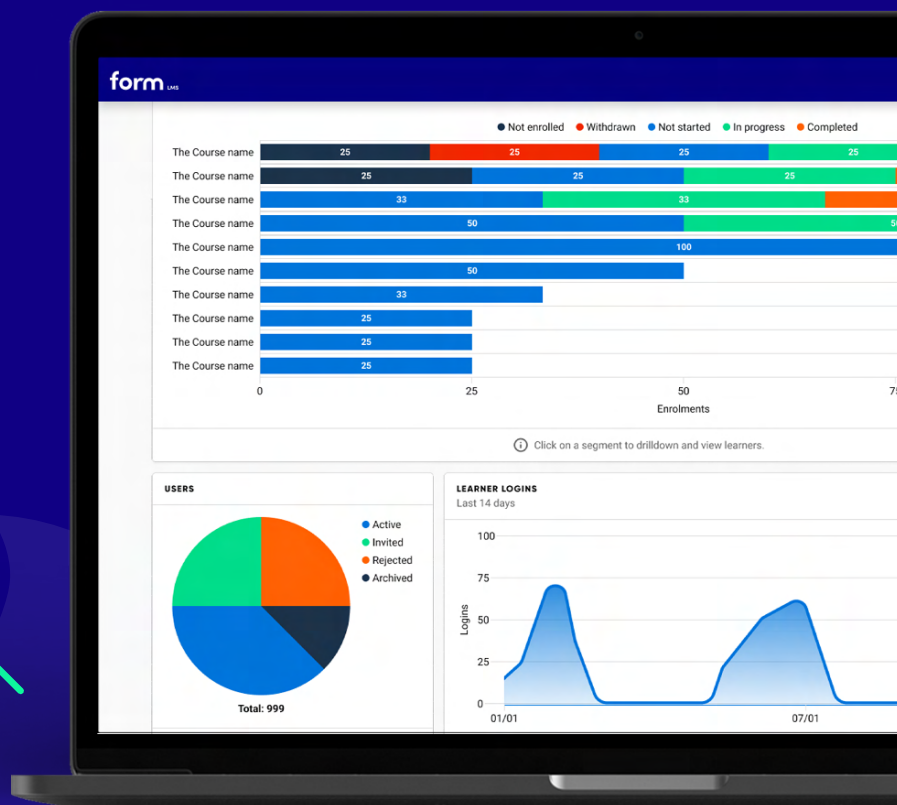

Create a true blended learning experience by combining your digital, virtual, and face-to-face training courses.

Plus, it just got easier to meet today's security and accessibility standards.

Designed to be user-friendly and accessible from any device.

Over 200 organisations

98% customer satisfaction rate

KEY BENEFITS OF FORM LMS

Easy to set up

Cloud-hosted, making it accessible to learners within a few clicks.

Manager views

Simple and user-friendly allowing managers to monitor their learners' continual professional development (CPD).

Intuitive and accessible

Designed with and for the user, by user experience experts making navigation is easy. Our platform is designed to work seamlessly on any device and is compatible with screen reader software.

Scalable and integration ready

Designed to be API-driven, it is a true SaaS (Software as a Service) model. This means it is agile when integrating with your HR platform. It is suitable for organisations of any size, and it has a 99.9% guaranteed system up time.

After-care which is second to none

Our UK-based helpdesk delivers a personalised service, with some of the quickest resolution times our industry offers and a customer satisfaction rate of 98%.

Blended training

Easily manage various training options, from digital to virtual to face-to-face training. Choose a single training option or create blended learning courses.

Digital training

Designed to allow your organisation to manage and deliver digital training in an engaging way. Host your own digital learning or take advantage of our digital catalogue with over 200 ready-to-play online courses.

Events booking system

Support the delivery of virtual or face-to-face training within your organisation by administering events and resources such as trainers, and calendars, enabling your learners to manage their own training schedule.

Secure and stable

Built on the latest cloud architecture, it is highly secure through encrypted user sessions, conforming with ISO 27001 criteria (Information Security Management), safeguarding your data in one of the most secure products on the market.

Intuitive reporting

Get the valuable data you need at the press of a button. View data in easy-to-read dashboards or get into the detail with exportable CSV reports. Reports can also be scheduled to run and automatically forwarded to relevant recipients.

A FEW WORDS FROM OUR CUSTOMERS

Me Learning has helped open our eyes to the advantages of digital training and their intuitive system, first-class helpdesk and above all the quality of their training materials really hit the mark with our learners.

Lisa Waite

Durham Safeguarding Partnership Training and Development Officer

Our partnership with Me Learning has been so successful we are seeing more people enjoying learning and building the skills and knowledge that they need to do their jobs to the best of their ability and satisfy many of their personal development needs as well.
