

Public Sector E-Learning Authoring Tool

Design, develop & deliver your own e-learning with the Adapt authoring suite and a series of introductory/refresher training sessions on how to get the best out of the tool.

Build interactive, responsive content yourself with Adapt

Supported by our Adapt authoring tool license partner, we will ensure your employees are ready to design, develop and deliver their very own e-learning content.

Why choose Me Learning courses?

CPD-accredited

All courses built with the Adapt authoring tool can become CPD accredited to give your organisation further credibility.

Easy to run

All you will need to access the tool is an account with our trusted Adapt partner, Adapt Unlimited.

24/7 access

Access courses at your convenience through our secure, cloud-based Adapt authoring tool platform.
