What is Me Learning's GDPR suite?

Our GCHQ Certified Training courses have been developed in conjunction with and endorsed by Clayden Law, technology law specialists.

Why choose Me Learning courses?

CPD-accredited

All our courses are CPD-accredited, adding extra value to your learning.

Easy to run

All you will need to complete your training is access to the internet and a mobile, tablet or desktop device.

24/7 access

Access courses at your convenience through our secure, cloud-based learning management software, Form LMS.

About Me Learning

We are a dedicated team of training experts with a strong track-record of creating learning that unlocks workforce potential. For over 15 years, we have provided digital learning for organisations in the public and private sector.

Highly accredited

Our accreditation is second to none – Cyber Security Essentials Plus, ISO 27001 and ISO 9001 – we are used to working with organisations requiring the highest level of data security across sectors.

Easy to do business with

Our team will work with you to achieve your training outcomes and we are on a number of public sector frameworks like a DOS, G-Cloud, ESPO, Bloom, and NEPO.

Proven track record of great learning

We helped over 600 organisations with their learning and trained close to 1,000,000 learners on our platform.

How it works

Choose

Pick the courses you'd like from the list below

Setup

Our UK-based helpdesk will help set you up on Form LMS, our secure, cloud based learning management system. You can also use our courses with your own platform

Access

Enrol your learners onto your chosen courses to unleash their potential

Information and cyber security course			✓	✓	✓	✓

“ We were conscious that, because we support charities across the whole of England and Wales, not all of them would be able to attend the physical workshop so we needed to think about how else we might support them. We realised this solved our problem of ensuring those charities that could not get to the workshops would still have a quality resource to ensure that they were capable of achieving GDPR compliance. ”

Michele
