About Altia

Founded in 1996, Altia services law enforcement agencies, government departments and regulatory authorities globally, including 100% of United Kingdom police forces.

With a cross-industry focus of 320 accounts in 17 countries; 90 full time employees and a presence in UK, Australia, Canada and the US, Altia are the leading global provider of intelligence and investigation software and are backed by UK based Bowmark Capital.

Altia's OSINT Investigator is an Internet Intelligence Investigation solution, tackling the growing volume of digital intelligence allowing more investigators to monitor and capture content from the internet. Open-Source enables investigators to capture content quickly, securely and evidentially. Data is integrated within our case management solution, Insight, or captured in an easy-to-access data repository.

This is the only fully cloud native case management OSINT solution.

Altia OSINT Investigator Pricing

Pricing is based upon the number of users and is a standard COTS solution.

This product allows users to use a central repository to store data.

Licences are payable on an annual basis and include hosting charges
