

G-Cloud Pricing Information

This document includes pricing for the following entitledto products listed on G-Cloud14:

- Benefits Calculator
- Affordability Calculator
- Open Banking Affordability Calculator For Social Housing
- Budgeting Tool
- Discretionary Housing Payment (DHP) form
- Homelessness Prevention Tool
- Council Tax Reduction Consultation Calculator
- Housing Benefit and Council Tax Reduction Claim Form

General

The prices below include all hosting, support, updates, onboarding and branding.

All prices exclude VAT.

Integration with your own services is also available. This can be arranged outside of the G-cloud framework – please contact us to discuss.

Our pricing depends on your organisation's size, with six bands.

For Local Authorities the band is based on the number of households served. For Housing Associations the band is based on the number of properties managed.

Details of the bands referred to in the document below are as follows:

	Local Authorities (households)	Housing Associations (properties managed)
Band 1	0 - 50,000	0 - 5,000
Band 2	50,001 - 100,000	5,001 - 15,000
Band 3	100,001 - 150,000	15,001 - 25,000
Band 4	150,001 - 200,000	25,001 – 50,000
Band 5	200,001 – 250,000	50,001 – 75,000
Band 6	250,001+	75,001+

Benefits Calculator

The Benefits Calculator allows individuals and organisations to carry out a benefits check to find out what financial support they may be entitled to.

Our organisational license allows for unlimited calculations for unlimited users, with many other features as described on the G-Cloud product page.
