

POSTCODE AND ADDRESS FINDER

Postcode Pro – intuitive address finder integrated to websites, Dynamics 365 and applications

Pricing document: G-Cloud 15 Services

Postcode Lookups and Address Finder with Postcode Pro

Lookups are sold in bundles of 1,000, 5,000 and 10,000 and are valid for a 12 month period. Pricing is for PSL registered public sector organisations. Bundles can be added to with additional volumes at the same rate, until the next volume threshold is reached and pricing will reduce accordingly.

Lookup Bundle Tier	Pricing
Starter bundle: 1,000 lookups	£0.06 per lookup
Professional bundle: 5,000 lookups	£0.05 per lookup
Enterprise bundle: 10,000 lookups	£0.04 per lookup

Licence fees

Licences are also based on a tiered model depending on the number of users when Postcode Pro is integrated with an internal application. Please note this is an annual licence fee and is **not per user**.

Licencing	Pricing (per year)
Annual cost for 1-250 users	£500
Annual cost for 251-500 users	£475
Annual cost 501-4,999 users	£450
Annual cost for 5,000+ users	£300

Installation and integration costs start from £800 depending on requirements. All development, installation, customisation or integration work is based on a fixed-price or a time and materials basis, working on agile / sprint based deliverables to show early visibility of progress. For a given requirement we will provide indicative estimates based on resource usage, with costs for each project team member being in line with the SFIA Rate Card.

SFIA Rate Card

	Strategy & architecture	Business change	Solution development & implementation	Service management	Procurement management & support	Client interface
1 Follow	£750	£750	£750	£750	£750	£750
2 Assist	£775	£775	£775	£775	£775	£775
3 Apply	£800	£800	£800	£800	£800	£800
4 Enable	£825	£825	£825	£825	£825	£825
5 Ensure/advise	£850	£850	£850	£850	£850	£850
6 Initiate/influence	£950	£950	£950	£950	£950	£950
7 Set strategy/inspire	£975	£975	£975	£975	£975	£975

Dedicated team of experts

Our dedicated applications team is qualified, experienced and professional. We build strong client relationships and these are testament to our people and our culture. We have a solid track record in delivering innovative, useful, usable and technically excellent applications which make a real difference to our clients.

Standards for rate cards

Rates are exclusive of VAT at the prevailing rate and are exclusive of expenses, which would be recharged at cost. The rates assume a 7.5 hour working day. The working week is Monday to Friday 9.30 am – 5.30 pm excluding public holidays.

Our story

We're proud to work with forward thinking clients across multiple sectors and industries, delivering applications using Umbraco, SharePoint, Dynamics 365 and the Power Platform, as well as business intelligence, custom solutions, mobile apps and systems integration.

Our work makes a positive difference to our clients and their people, through smart business applications built on the best technology platforms. Our customer engagement and business transformation programmes deliver tangible results and quantifiable benefits.

Our people are experts in designing usable, useful and innovative applications, and in fostering great relationships with our clients.
