G-CLOUD 15 PRICING RED TEAM TRAINING

THREAT READY

Confidential Data

G-CLOUD 15: PRICING

Red Team Training is priced on a per delegate basis (£1,500 to £2,000 per delegate).

Pricing for the service is determined based on the agreed scope, including the required team composition, consultant grades, and delivery timescales. Timescales will be dependent on the specific scope agreed, as well as the overall size and complexity of the engagement.

LRQA will work collaboratively with the client to ensure the engagement is appropriately sized and resourced to meet the stated requirements. A detailed Scope of Work will be produced, clearly defining the full requirements, deliverables, and scope of the service.

Travel and Subsistence: Unless otherwise stated in the Scope of Work, the client agrees to pay Nettitude Ltd (trading as LRQA) the charges set out in the Scope of Work and to reimburse reasonable travel, accommodation, subsistence, and related expenses incurred by personnel in the delivery of the services.

All invoices are payable within 30 days of the invoice date. VAT is excluded from all stated rates.
