Service Overview

APPtechnology partners with global enterprises to quickly secure highly skilled, pre-vetted consultants across a broad range of technologies. We provide consultants with DBS, Security and DV clearance.

Recruitment:

Contract Recruitment:

We provide excellent, highly qualified consultants to immediately bolster your technology projects. Our contractors seamlessly integrate with your Business As Usual (BAU) team, offering essential support and expertise during peak periods and heavy workloads.

Permanent Recruitment:

We supply high-level permanent staff drawn from relationships cultivated over **20+ years**. This gives us the decisive edge in selecting the right candidates to join and elevate your team for the long term.

Technical Consultancy (Team Building):

Leverage our deep expertise to rapidly staff and progress any project. We supply **whole teams** of strong, highly skilled consultants, having built teams and provided project consultants for many of the largest projects in the UK.

Exceptional Sourcing:

Our long-standing relationships have built a formidable network, ensuring we provide only the highest calibre of proven talent.

Vetted Confidence:

By working with these consultants for extended periods, we are confident in supplying professionals with the right skill levels, proven over time. You are guaranteed safe, reliable expertise

Exit Costs

Provided that the services terminate at the end of an agreed term, in line with the terms and conditions, there are no specific exit costs.

Invoicing

Monthly in Staged invoices based on Statement of Work Delivery.

Monthly in arrears for each agreed SoW phase

Pricing

Maximum G-Cloud day-rates are shown, specific services may use lower rates due to economies of scale, service discounts or locations

	Strategy and Architecture	Business Change	Solutions Development and Implementation	Service management	Procurement and Management Support	Client Interface
