

Description	Key Info	Price
Administration/Project Management	Unit of Measurement	Price
Project Administration	Per Hour	£54.95
Project Manager/Technical Consultant	Per Hour	£92.00
Project Manager/Technical Consultant	Per Day	£736.00
N2S Senior Project Manager/Consultant	Per Day	£960.00
Available Vehicles	Unit of Measurement	Price
Van - Car/Caddy size, carrying capacity 500kgs	Per mile	£0.95
Van - Crafter carrying capacity 1000kgs	Per mile	£1.40
5-7.5 tonne, carrying capacity 2000-2200kgs (tacho)	Per mile	£1.80
18 tonne rigid, carrying capacity 9000kgs (tacho)	Per mile	£1.95
Artic, carrying capacity 15,000-21,000kgs (tacho)	Per mile	£2.90
Uplift for trailer	Per mile	£0.30
Uplift for European travel	Per mile	£0.30
Labour options	Unit of Measurement	Price
HGV Driver	Per Hour	£45.00
HGV Driver	Per Day (8 Hours)	£359.25
HGV Driver	Extended Day (12 Hours)	£539.00
HGV Driver	Out of hours (after 6) & Saturday Per Hour	£67.50
HGV Driver	Sunday Per Hour	£90.00
SC Technician (Engineer)	Per Hour	£40.50
SC Technician (Engineer)	Per Day (8 Hours)	£325.00
SC Technician (Engineer)	Extended Day (12 Hours)	£486.00
SC Technician (Engineer)	Out of hours (after 6) & Saturday Per Hour	£60.75
SC Technician (Engineer)	Sunday Per Hour	£81.00
SC Site Lead/Senior Engineer	Per Hour	£64.50
SC Site Lead/Senior Engineer	Per Day (8 hours)	£514.50
SC Site Lead/Senior Engineer	Extended Day (12 Hours)	£771.75
SC Site Lead/Senior Engineer	Out of hours (after 6) & Saturday Per Hour	£96.75
SC Site Lead/Senior Engineer	Sunday Per Hour	£129.00
DATA SANITISATION UNIT RATES - Equipment intended for resale	Unit of Measurement	Price
Laptop or PC - Receiving, Asset tracking, Data Deletion, Testing & Inspection and refurbishment (1 X Data wipe only) Additional wipes POA. (Any devices with additional HDD will be receive the Additional HDD rate per additional drive). Does not include shredding of HDD if device fails technical processing. Refer to HDD shredding.		£9.90
Unlocked Mobile Phone (Smart Phone) Tablets, IPADS etc. Receiving, Asset tracking, Data Deletion/Deconfig, Testing & Inspection including lock check, Network, Apple ID, ABM, DEP, MDM etc and refurbishment. Does not include unlocking charge or a disposal charge if device fails testing or is locked.		£7.95
Locked Mobile Phone (Smart Phone) Tablet, IPAD etc. If device is locked as above N2S will endeavour to unlock it but if does not unlock it will FAIL and be sustainably recycled at an additional cost. Price may vary depending on model and lock.		£13.00
Desktop Printer - Receiving, testing & inspection and refurbishment.		£6.30
Flat Screen Display (Post 2009 non POP's) for resale - Receiving, asset tracking, Testing & Inspection and refurbishment (Disposal charges will apply if monitor contains POP's or fails testing)		£4.00
Standard Network Item - switches and routers (Receiving, asset tracking, data deletion/de config, Testing & Inspection and refurbishment . Disposal charges are additional if it fails testing.		£11.85
Server - rack mounted or small tower server, blade chassis and individual blades, small storage array (Excludes HDD sanitisation, see below for additional HDD charges), Rackmount UPS System - (Receiving, asset tracking, testing & inspection and refurbishment. Mainframe servers POA.		£18.00
Handset - Receiving, testing & inspection and refurbishment		£1.60
Additional Hard Disks in PCs or HDD in Servers & Storage - asset tracking, data wipe 1x and testing		£2.25
End-of-life equipment processing, disposal fees not included	Unit of Measurement	Price
Laptop or PC (Receiving, triage, asset tracking and certified disposal) per device Excludes HDD Shredding		£5.00
Mobile Phone (Smart Phone) TABLETS IPAD ETC Receiving, triage, asset tracking and certified disposal where a serial or asset tag is on outside. Per device.		£5.00
Mobile Phone (Smart Phone) TABLETS IPAD ETC (Count only where no asset tag or serial is visible on outside of device. Per device. This does not include certified destruction as no serial is available or recorded.		£2.65
