- Infrastructure Management Suite

Frontline Cloud for Sage X3 Support Services

From Frontline Lot 3 Managed Cloud for Sage X3 Listing

Final Support costs will be calculated based on projected time requirements, considering solution complexity and agreed hours of operation. All charges will be derived from the submitted SFIA rate card, ensuring transparency and compliance with G-Cloud pricing standards.

Volume Discounts

- SFIA rate Discounts *

Pro Service Days	% discount
0-75	0%
76-150	5%
151 – 300	10%
300 +	15%

*Discounts apply to bulk day bookings because they allow efficient resourcing. Ad-hoc or small day call-offs typically don't qualify. For example, 90 days booked as three planned 30-day blocks would be eligible for a discount
