3.0 CAPABILITY

The introduction of the Airbox application(s) on the client's hardware as detailed within this quote, and as broken down above.

Payment Terms

Please note, should you opt for a multi-year option you will be committed to the standard annual price.

Activation of licences will follow on from receipt of a valid Purchase Order and receipt of signed quote and agreement.

A start date for licences and onboarding plan can be confirmed by your Account Manager following this.

Payment is due no later than 30 days from the date of the invoice.

Payment option - annual:

100% of the year 1 payment will be invoiced in advance of the agreed activation date. The activation date is defined as the date at which the service is made live and made available to the client. Where a multi-year contract is agreed, the subsequent years (year 2 and 3) will be invoiced in advance of the anniversary of activation date.

Payment option - full contract upfront:

The client can opt to pay the full contract amount upfront should they wish to not be charged annually. In this case, the total contract amount will be invoiced in advance of the agreed activation date.

4.0 AGREEMENT

By signing below, the client agrees to accept [Airbox Systems Ltd's standard terms and conditions](#) unless otherwise agreed in writing.

It is the client's responsibility to ensure that all users of Airbox applications are made aware of its contents.
