Dedicated account manager to oversee and assist with delivery of implementation plan

Annual Hosting costs

Annual maintenance costs

Data backups

Access to dedicated support by phone or email

Bug fixes

New feature deployments (prioritised by development steering group)

Maintained GMC compliance

System security

Contract and Payment terms

The Customer shall pay the Annual Fee annually in advance (or, if the Customer requests, covering multiple years within the Minimum Term) with effect from the Annual Start Date and for the duration of this Contract.

Agilio shall be entitled to submit an invoice for the Fees when they become payable and the Customer must pay Clarity's invoices no later than 30 days after receipt.

Contract Length/Minimum Term

The length of the contract will be defined as per agreement, and stated within the contract. The 'minimum term' means the period from the Contract Date to the Annual Start Date, plus the period of whole years specified as such in the Order Form (measured from the Annual Start Date).
