£105,000 per year for min 3 years

Discounted to £89,250 per year in years 4&5

> Subscription Principles

Value Add

Infomentum will appoint a Product Manager to work with Forces to shape a future roadmap of innovation & enhancements.

New Salesforce capability will be proactively assessed and built into the products where relevant.

Pricing

Infomentum currently offer a subscription model for Recruitment & Firearms Licencing. Both products are independently priced at £68,250 per year with a one off deployment cost of £35k each.

Early adoption forces can benefit from having to pay no deployment cost.

A heavily discounted offer has been created for forces who adopt both subscription products.

Costs include a 5% margin for resellers.

Contract Length

The minimum contract length is 3 years. A specific break clause is available for Firearms Subscribers after 2 years to factor the impact of a National Solution.

Forces that commit to up to 5 years (3+1+1) can benefit from a discounted subscription in years 4&5.

Thank- you

We are passionate about system integration and process automation! However, nothing beats the thrill of being a part of our customers' incredible journeys. Not only do we guide our clients, but most importantly we share their vision and values.
