Pricing for KYB API

The KYB API gives you access to a powerful range of data that enables you to understand and verify business customers. There are multiple sources of data which are available via the API which allow you to call back the information relevant to your business. During the set-up process, we can configure the API to share back only the information which you need including:

- Business Verification and Key Party Identification.
- KYC check on the Key Parties
- PEPs, Sanctions & Adverse Media screening on Key Parties and Companies

Pricing is based on transactional fees based on volumes required and a licence fee for the service

All the prices quoted within this document exclude VAT.

	Cost	What this covers
Licence Fee*	From £2,000	Standard API licence fee
KYB Data Company and People	From £2.00	Pricing scales and depends on the configuration applied requested and the volumes taken

*The transactional cost decreases based on volume commitment, a breakdown of volume bandings and costs will be provided upon application. Costs are indicative and correct at time of publishing.

The above stated fees include core hours support. The fee for optional extended hours support is a minimum of £100. If you would like to discuss Extended Hours Support, please speak to your account manager.
