

Pricing Document – PowerCurve Originations (PCO)

For: G Cloud 15

Notwithstanding anything contained in your invitation to tender documentation, please note that the attached proposal and all accompanying documentation and materials (together called “Response to Tender”) and with all of the intellectual property rights contained within it belong to Experian Limited (“Experian”) and ownership will not pass to you. You must keep the contents of this Response to Tender strictly confidential. You may only use it for the purposes of assessing the suitability of Experian for carrying out the work you envisage once the tender process is complete. You may not disclose it to any third party without Experian’s prior written consent. You must return this information to Experian (at our expense) if we ask you.

Experian does not intend this Response to Tender be a contractual offer or an acceptance of any offer by you. Experian reserves the right to negotiate any terms and conditions that you might have included in your invitation to tender. It is our usual practice to use Experian standard terms and conditions when supplying our services or products and we will be happy to provide a copy of these to you. Pricing is valid for 90 days from date of submission.

In relation to any personal data contained within this Response to Tender (including but not limited to names of Experian personnel within CVs or otherwise), you shall ensure that: (a) you comply with all applicable data protection legislation; and (b) you maintain security and other standards which are equivalent to those with which Experian is required to comply when processing such personal data. For the avoidance of doubt, you shall not transfer any personal data outside the European Economic Area without either Experian’s written consent or in accordance with EU Model Terms.

Experian Ltd is authorised and regulated by the Financial Conduct Authority. Experian Ltd is registered in England and Wales under company registration number 653331. Registered office address: The Sir John Peace Building, Experian Way, NG2 Business Park, Nottingham NG80 1ZZ.

Pricing for PowerCurve Originations

All the prices quoted in this document exclude VAT and are indicative pricing ranges.

	Cost	What this covers
Set-up cost	£156,000	One-off fee for the initial set up of a standard PCO solution delivery. A daily rate will apply for non-standard or more complex delivery requirements above this fee.

Description	Quantity	Annual	Quarterly	Monthly
PowerCurve Originations subscription	20,000 applications	£65,000	£16,250	£5,417

Applications over 20,000 applications would be charged at £3.25 per application.

All prices quoted in this document exclude VAT and are indicative, based on the standard PowerCurve Originations solution for consumers. Pricing excludes add-ons, and Access Rights licence fees.

Please note that pricing will differ for any non-standard solution build and licence.
