

Pricing Document – CrossCore International Verification eIDV & AML

For: G Cloud 15

Notwithstanding anything contained in your invitation to tender documentation, please note that the attached proposal and all accompanying documentation and materials (together called "Response to Tender") and with all of the intellectual property rights contained within it belong to Experian Limited ("Experian") and ownership will not pass to you. You must keep the contents of this Response to Tender strictly confidential. You may only use it for the purposes of assessing the suitability of Experian for carrying out the work you envisage once the tender process is complete. You may not disclose it to any third party without Experian's prior written consent. You must return this information to Experian (at our expense) if we ask you.

Experian does not intend this Response to Tender be a contractual offer or an acceptance of any offer by you. Experian reserves the right to negotiate any terms and conditions that you might have included in your invitation to tender. It is our usual practice to use Experian standard terms and conditions when supplying our services or products and we will be happy to provide a copy of these to you. Pricing is valid for 90 days from date of submission.

In relation to any personal data contained within this Response to Tender (including but not limited to names of Experian personnel within CVs or otherwise), you shall ensure that: (a) you comply with all applicable data protection legislation; and (b) you maintain security and other standards which are equivalent to those with which Experian is required to comply when processing such personal data. For the avoidance of doubt, you shall not transfer any personal data outside the European Economic Area without either Experian's written consent or in accordance with EU Model Terms.

Pricing for CrossCore Global Data Consortium (GDC)

Pricing is based on a one-off fee for initial set up build fee and transactional fees.

Transactional fees pricing is based on volumes required.

All the prices quoted within this document exclude VAT.

	Cost	What this covers
Build fee	£2,000 - £5,000	This is a one-off cost and includes the set-up (configuration, certificates, firewall settings etc.) and integration support and varies depending on the number of services taken via CrossCore
Transactional Cost*	£0.12 - £3.65	Price quoted are based on a per transaction basis and dependent on the type of verification required (EIDV 1+1 or AML 2+2)and the country.

The above stated fees include core hours support. The fee for optional extended hours support is a minimum of £100. If you would like to discuss Extended Hours Support, please speak to your account manager.
