- 3.4. Details of how the proposed Change will adhere to compliance requirements or applicable law or regulation or changes to the same will be detailed by the Buyer as part of the Change Request. It is the Buyer's responsibility to ensure compliance with all such laws and regulations, and it is the Supplier's responsibility to estimate and where approved, implement Changes in accordance with a Contract Change Note.

**5.2. Decrease in Fees**

For clarity, where a Contract Change results in a decrease in project fees, the parties agree that such change shall be recorded in the project change log and a contract variation will not be required (subject to the quarterly review process set out at 5.3).

**5.3. Quarterly review**

The parties agree to review project change log on a quarterly basis, and where a Change is deemed to be a material change to project scope, delivery or increase the risk profile (including but not limited to a regulatory or compliance issue) of the project, regardless of the impact upon fees, the parties shall record this via the agreement of a contract variation.

**6. Buyer's Right of Approval**

6.1. Within 15 Working Days of receiving the Impact Assessment from the Supplier or within 10 Working Days of receiving the further information that it may request pursuant to paragraph 4.4, the Buyer shall evaluate the Change Request and the Impact Assessment and shall do one of the following:

6.1.1. approve the proposed Change Request, in which case the parties shall follow the procedure set out in paragraph 6.2 below;

6.1.2. acting reasonably, reject the Change Request, in which case it shall notify the Supplier of the rejection. The Buyer shall not reject any proposed Contract Change if and to the extent that the Contract Change is necessary for the Supplier or the Services to comply with any Changes in Law. If the Buyer does reject a Contract Change, then it shall explain its reasons in writing to the Supplier as soon as is reasonably practicable following such rejection;

6.1.3. Request the Supplier modify the Contract Change if it reasonably believes that a Change Request or Impact Assessment contains errors or omissions. The Supplier shall make such modifications within 5 Working Days of such request. Subject to paragraph 4.4 above, on receiving the modified Change Request and/or Impact Assessment, the Buyer shall approve or reject the proposed Contract Change within 10 Working Days.

6.2. If the Buyer approves the proposed Change Request pursuant to paragraph 6.1.1 and it has not been rejected by the Supplier in accordance with paragraph 7 below, then it shall inform the Supplier, and the Supplier shall prepare a contract variation which it shall sign and deliver to the Buyer for its signature. Following receipt by the Buyer of the contract variation, it shall sign and return the contract variation to the Supplier. On the Buyer's signature, the contract variation shall constitute a binding variation to the Call-Off-Contract.

**7. Supplier's Right of Rejection**

7.1. The Supplier may reject a Change Request in the event the Buyer's requirements are unable to be reasonably satisfied within the overarching scope of the Services.

7.2. The Supplier may reject a Change Request issued by the Buyer if in its reasonable opinion:

7.2.1. the cost of preparing the Impact Assessment and contract variations required under this Change Control Procedure is disproportionate to the costs which it will be able to recover under an approved Change; or

7.2.2. an Impact Assessment cannot be adequately prepared within the timescales imposed by this Change Control Procedure.

7.3. Following an Impact Assessment, if the Supplier reasonably believes that any proposed Contract Change which is requested by the Buyer:

7.3.1. would require the Services to be performed in a way that infringes any Applicable Law or is inconsistent with good industry practice;

7.3.2. would cause any consent to be revoked (or a new consent required to implement the relevant Change in service to be unobtainable);

7.3.3. would materially and adversely affect the Supplier's ability to deliver the Services;

- 7.3.4. would materially and adversely affect the risks to the health and safety of any person;
  - 7.3.5. would require the Supplier to implement the Change in Service in an unreasonable period of time;
  - 7.3.6. would (if implemented) materially and adversely change the nature of the Services (including the risk profile); and/or
  - 7.3.7. would (to implement) require the Buyer to possess legal powers or capacity that it does not have
- then the Supplier shall be entitled to reject the proposed Contract Change and shall notify the Buyer of its reasons for doing so within 5 Working Days after the date on which it is obliged to deliver the Impact Assessment in accordance with paragraph **Error! Reference source not found.**

## 8. Fast-Track Changes

- 8.1. The parties acknowledge that to ensure operational efficiency there may be circumstances where it is desirable to expedite the processes set out above.
- 8.2. If in relation to a proposed Contract Change:
  - 8.2.1. both parties agree that the Contract Change does not involve any alteration to, or deviation from the contractual principles set out in the Call-Off-Contract;
  - 8.2.2. the total number of Contract Changes in relation to which this fast track procedure has been applied does not exceed 4 in any 6 month period (or such higher number as the Buyer may from time to time agree in writing);
  - 8.2.3. the estimated value of the proposed Contract Change does not exceed £50,000 and the proposed Contract Change is agreed between the parties in writing as being low risk; and
  - 8.2.4. the Contract Change does not affect any Buyer ICT systems that are outside the scope of the Call-Off-Contract and/or other services provided to the Buyer by third party contractors (other than the Supplier's sub-contractors within the scope of the Call-Off-Contract)

then the parties shall confirm to each other in writing that they shall use the process set out in paragraphs **Error! Reference source not found.**, **Error! Reference source not found.**, **Error! Reference source not found.** and **Error! Reference source not found.** above but with reduced timescales, such that any period of 15 Working Days is reduced to 10 Working Days, any period of 10 Working Days is reduced to 2 Working Days and any period of 5 Working Days is reduced to 1 Working Day.

In addition, the Supplier shall, on giving written notice to the Buyer, be entitled to suspend provision of the Services with immediate effect until the overdue amount is paid in full.
- 3.4. If under this Call-Off Contract the Buyer agrees in the Call-Off Contract to pay a minimum fee over any particular period, and it does not meet such minimum fee requirement in that period, the Supplier shall be entitled to invoice the Buyer for the difference between the relevant fees actually payable in respect of that period and such minimum fee. Any such amount shall be payable to the Supplier as a debt.
- 3.5. All sums referred to in this Call-Off Contract are exclusive of VAT or any other similar sales or turnover tax (if applicable); such taxes shall be payable on the same payment terms as apply to the sums to which the taxes relate.
- 3.6. #### **4. NATURE AND USE OF THE SERVICES**

- 4.1. The Supplier's services are not intended to be used as the sole basis for any business decision, nor to relieve the Buyer of its obligation to comply with its own obligations under Applicable Law. Supplier Data is based upon data which is provided by third parties, the accuracy and/or completeness of which it would not be possible and/or economically viable for the Supplier to guarantee. The Supplier's services also involve models and techniques based on statistical analysis, probability and predictive behaviour. The Buyer acknowledges that it is prudent to use, and it is responsible for using, the Services as one of a number of factors in its decision-making process, and for determining those other factors. Therefore, the Supplier will be liable if it fails to comply with its obligation under Clause 1.1.2 but the Supplier is not able to accept any other liability for:
  - 4.1.1. any inaccuracy, incompleteness or other error in the Supplier Data which arises as a result of data provided to the Supplier by the Buyer or any third party; or
  - 4.1.2. any failure of the Services to achieve any particular result for the Buyer or any Permitted User.
- 4.2. The Buyer agrees that it will:

- 4.2.1. use the Services, and/or Supplier Materials provided under this Call-Off Contract, for the Permitted Purpose only and in accordance with any Documentation;
- 4.2.2. not sell, transfer, sub-license, distribute, commercially exploit or otherwise make available to, or use for the benefit of, any third party any of the Services, and/or Supplier Materials provided under this Call-Off Contract, except as specifically permitted by this Call-Off Contract;
- 4.2.3. not (and will not allow any third party to) adapt, alter, modify, reverse engineer, de-compile or otherwise interfere with any Supplier Materials provided under this Call-Off Contract without the prior written consent of the Supplier or as otherwise permitted by law; and
- 4.2.4. only take such copies of the Supplier Materials as are reasonably required for the use of the Supplier Materials in accordance with this Call-Off Contract.

## **5. COMPLIANCE AND AUDIT**

- 5.1. Each party shall in connection with the provision or use of the Services (as appropriate) comply with all Applicable Laws which are applicable to that party.
- 5.2. Each party shall permit the other (on reasonable notice and during normal working hours and (save where the party being audited is, or is reasonably suspected of being, in material breach of this Call-Off Contract) no more than once per Contract Year) to audit the first party's compliance with its obligations under this Call-Off Contract in relation to the use of any software, data or other materials. If either party wishes to carry out an additional audit in any Contract Year, it shall reimburse the party being audited for any costs reasonably and properly incurred in connection with supporting such additional audit. The party carrying out the audit shall:
  - 5.2.1. observe the other party's procedures relating to the protection of confidential information about any clients or customers of the other party; and
  - 5.2.2. take all reasonable steps to minimise disruption to the other party's business during such audit.
- 5.3. User Access Devices are (where applicable) provided by the Supplier to enable the Buyer to access and use the Services in accordance with the terms of this Call-Off Contract. The Buyer shall ensure that any User Access Device(s) are not copied, interfered with and/or used in any unauthorised way.
- 5.4. It is the Buyer's responsibility to inform the Supplier of any unauthorised use and/or disclosure of any User Access Device so that the Supplier can suspend or disable that User Access Device as appropriate. The Buyer shall remain liable for any and all fees for the Services incurred in connection with the use of any User Access Device, until the Buyer has informed the Supplier.
- 5.5. Each party will cooperate and share information with the other as reasonably necessary from time to time (including in circumstances where the parties may individually or collectively have caused harm to end consumers) to ensure that both parties discharge their regulatory obligations, and in order to help achieve positive consumer outcomes.
- 5.6. Consumer Duty (where applicable). Without prejudice to the general obligations under Clause 5.5 in respect of consumer harm, each of the parties agree that in the event Consumer Duty applies in the provision or use of the Services (as appropriate), the parties shall comply with Consumer Duty and the following provisions will apply:
  - 5.6.1. Where Consumer Duty applies in the Buyer's use of Services the Buyer must determine itself how to distribute products in a way that supports good customer outcomes.
  - 5.6.2. Permitted Purpose. The Buyer must comply with the provisions of Clause 15.1 including (but not limited to) using the Services in accordance with the Permitted Purpose and any other provisions relating to use of the Services or restrictions on the use of the

Services set out in the Call-Off Contract. In addition to any audit rights described within this Clause 5, the Supplier reserves the right to assess and monitor whether the Buyer is in compliance with the Permitted Purpose and any usage rights and restrictions in the Call-Off Contract and its obligations under this Call-Off Contract. The Buyer will provide the Supplier with any materials the Supplier reasonably requests in order to conduct such an assessment. The Buyer is also obligated to report back to the Supplier any non-compliances with the Permitted Purpose and any usage rights or restrictions. In the event that in the Supplier's reasonable judgement the Buyer's use of the Services is not compliant with the Permitted Purpose or any usage rights and restrictions set out in the Call-Off Contract or the Buyer is in breach of its obligations in relation to Consumer Duty, the following process applies:

- 5.6.2.1. the Supplier will notify the Buyer in writing specifying the non-compliance and grant the Buyer 15 days to remedy any non-compliances and ensure its use of the Services complies with the Permitted Purpose and any usage rights and restrictions.
- 5.6.2.2. If the Supplier in its sole discretion judges the Buyer to still be non-compliant after such remediation period set out in Clause 5.6.2.1, the Supplier reserves the right to suspend the Buyer's use of the Services by serving written notice and grant the Buyer a period of remediation of 28 days after receipt of the suspension notice within which to remedy the non-compliance.
- 5.6.2.3. In the event of the non-compliance being remedied within the remediation period set out in Clause 5.6.2.2 the Supplier will lift the suspension. Otherwise, the Supplier reserves the right to terminate this Call-Off Contract immediately by serving written notice to the Buyer in the event that either:
  - 5.6.2.3.1. the non-compliance is not capable of remedy; or
  - 5.6.2.3.2. the non-compliance is capable of remedy and the Buyer has failed to remedy the non-compliance in accordance with the timelines set out in Clause 5.6.2.2 above.
- 5.6.3. Cross-cutting Rules. The following provisions apply:

- 5.6.5. Monitoring. The Supplier reserves the right to assess and monitor whether the Buyer is in compliance with Consumer Duty and is providing good outcomes for retail customers.

The Buyer must monitor the outcomes retail customers receive from any Supplier products, the communications it has with retail customers and the customer support it provides to retail customers. The Buyer agrees to share with the Supplier any documentation or management information ("MI") the Buyer generates as a result of its outcome monitoring involving Supplier products.

- 5.6.6. Reporting. The following provisions apply:
- 5.6.6.1. if the Buyer identifies that it or another firm in its distribution chain is not delivering good outcomes for retail customers, it must promptly notify the Supplier; or
  - 5.6.6.2. where either party identifies or becomes aware of a communication produced by another firm in its distribution chain that is not delivering good outcomes for retail customers, it must promptly notify the issue to the relevant firm in the distribution chain (which may include the other party to this Call-Off Contract); and
  - 5.6.6.3. notwithstanding any suspension of the Services, each party is obligated under Consumer Duty to notify the Financial Conduct Authority if it becomes aware that any other firm in the distribution chain is not or may not be complying with Principle 12 under Consumer Duty. Each party shall be responsible for its own costs incurred in such reporting.
- 5.7. Without prejudice to the general obligations under Clause 5.1, each of the parties shall in connection with this Call-Off Contract:
- 5.7.1. comply with the Anti-Corruption Requirements and the Anti-Slavery Requirements;
  - 5.7.2. not engage in any activity, practice or conduct which would constitute either a UK tax evasion facilitation offence under section 45(1) of the Criminal Finances Act 2017, a foreign tax evasion facilitation offence under section 46(1) of the Criminal Finances Act 2017.
- 5.8. Each party shall have and shall maintain in place throughout the Term its own policies and procedures to ensure compliance with Clause 5.6, including adequate procedures under the Bribery Act 2010, and will enforce them where appropriate.
- 5.9. Each party shall promptly report to the other:
- 5.9.1. any request or demand for any undue financial or other advantage of any kind received in connection with this Call-Off Contract;
  - 5.9.2. any slavery or human trafficking in a supply chain which has a connection with this Call-Off Contract;

- 5.10.1. suspend and modify the Affected Services as necessary; or
- 5.10.2. procure alternative data, the same as or similar to the data used in the Affected Services; or
- 5.10.3. terminate this Call-Off Contract without liability in respect of those Affected Services.
