SUPPLIER TERMS AND CONDITIONS PART B

SUPPLIER TERMS AND CONDITIONS VERSION 5.1 (“TERMS AND CONDITIONS”) ADOPTED: 02/2026

SECTION A: CORE TERMS

These Core Terms shall always apply.

1. PRIMARY OBLIGATIONS AND WARRANTIES

1.1. The Supplier shall:

- 1.1.1. provide the Services in the Territory in accordance with the Specification;
- 1.1.2. use all reasonable care and skill in the performance of the Services (including in the collection and collation of any data on which the Services are based or which is comprised within the Services); and
- 1.1.3. use suitably qualified personnel in the provision of the Services.

1.2. The Buyer shall provide the Supplier with any information or assistance which the parties have agreed the Buyer shall provide in order for the Supplier to perform its obligations under this Call-Off Contract and shall use all reasonable endeavours to ensure that any such information provided to the Supplier is complete, accurate and in the agreed format.

1.3. Each of the parties shall

- 1.3.1. where there is a Project Timetable, use all reasonable endeavours to perform its obligations under this Call-Off Contract in accordance with the Project Timetable; and
- 1.3.2. ensure that its personnel, whilst on the premises of the other party, comply with that party's reasonable requirements governing security and health and safety as have been notified to it.

1.4. Each party warrants that:

- 1.4.1. it has the full power and authority to enter into this Call-Off Contract;
- 1.4.2. it has obtained and will continue to hold all necessary licences, consents, permits and agreements required for it to comply with its obligations under this Call-Off Contract and for the grant of rights to the other party under this Call-Off Contract; and
- 1.4.3. the use by the other party as permitted by this Call-Off Contract of any information, data, software, documentation, scorecards and/or services which it provides to the other party shall not infringe any third party Intellectual Property Rights in the Territory.

1.5. The warranties expressly set out in this Call-Off Contract are the only warranties that each party gives to the other in respect of the subject matter of this Call-Off Contract. All other warranties, representations or terms of equivalent effect that might be implied by law are excluded to the extent permitted by law.

2. TERM

2.1. This Call-Off Contract shall be deemed to have commenced on the Commencement Date and, subject to the provisions for early termination set out in this Call-Off Contract, shall continue for the Initial Term and thereafter unless terminated by either party serving on the other not less than the Minimum Notice Period to expire on or after the end of the Initial Term.

3. PAYMENTS AND INVOICING

- 3.1. The Buyer shall pay the fees set out in the Call-Off Contract.
- 3.2. Apart from any sums which are stated in the Call-Off Contract to be payable in accordance with a specified payment timetable, all sums payable by the Buyer to the Supplier will be invoiced monthly in arrears. All invoices are payable in cleared funds within 30 days after the date of the relevant invoice. If the Buyer (acting reasonably and in good faith) believes that the amount of any invoice submitted by the Supplier under this Call-Off Contract is incorrect, the Buyer shall notify the Supplier of this and the reasons for this belief and of the amount of the invoice which it believes to be incorrect (the "Disputed Amount"). Provided that any such notification and payment of the invoice other than the Disputed Amount have been received by the Supplier by the due date for payment of the invoice (the "Due Date"), the Buyer shall be entitled to withhold payment of the Disputed Amount until the date on which the relevant dispute is resolved by the parties. Both parties shall act reasonably and promptly in attempting to resolve any such dispute.
- 3.3. If any sum payable by the Buyer to the Supplier other than a Disputed Amount is not paid in cleared funds by its due date, subject to Clause 3.2, the Supplier shall be entitled to charge interest on the overdue amount at 2% per annum above Barclays Bank plc's base rate from time to time. Interest will accrue on a daily basis from the due date up to the date of actual payment, after as well as before judgment. In addition, the Supplier shall, on giving written notice to the Buyer, be entitled to suspend provision of the Services with immediate effect until the overdue amount is paid in full.
- 3.4. If under this Call-Off Contract the Buyer agrees in the Call-Off Contract to pay a minimum fee over any particular period, and it does not meet such minimum fee requirement in that period, the Supplier shall be entitled to invoice the Buyer for the difference between the relevant fees actually payable in respect of that period and such minimum fee. Any such amount shall be payable to the Supplier as a debt.
- 3.5. All sums referred to in this Call-Off Contract are exclusive of VAT or any other similar sales or turnover tax (if applicable); such taxes shall be payable on the same payment terms as apply to the sums to which the taxes relate.
- 3.6. The fees set out in the Call-Off Contract will be fixed, save that the Supplier shall be entitled to increase the fees on the date(s) set out in the Call-Off Contract (or, if none, then each anniversary of the Commencement Date) by such percentage as is equal to the percentage increase in the Relevant Index for the most recent period of 12 consecutive months for which figures are available.

4. NATURE AND USE OF THE SERVICES

- 4.1. The Supplier's services are not intended to be used as the sole basis for any business decision, nor to relieve the Buyer of its obligation to comply with its own obligations under Applicable Law. Supplier Data is based upon data which is provided by third parties, the accuracy and/or completeness of which it would not be possible and/or economically viable for the Supplier to guarantee. The Supplier's services also involve models and techniques based on statistical analysis, probability and predictive behaviour. The Buyer acknowledges that it is prudent to use, and it is responsible for using, the Services as one of a number of factors in its decision-making process, and for determining those other factors. Therefore, the Supplier will be liable if it fails to comply with its obligation under Clause 1.1.2 but the Supplier is not able to accept any other liability for:
 - 4.1.1. any inaccuracy, incompleteness or other error in the Supplier Data which arises as a result of data provided to the Supplier by the Buyer or any third party; or
 - 4.1.2. any failure of the Services to achieve any particular result for the Buyer or any Permitted User.
- 4.2. The Buyer agrees that it will:

- 4.2.1. use the Services, and/or Supplier Materials provided under this Call-Off Contract, for the Permitted Purpose only and in accordance with any Documentation;
- 4.2.2. not sell, transfer, sub-license, distribute, commercially exploit or otherwise make available to, or use for the benefit of, any third party any of the Services, and/or Supplier Materials provided under this Call-Off Contract, except as specifically permitted by this Call-Off Contract;
- 4.2.3. not (and will not allow any third party to) adapt, alter, modify, reverse engineer, de-compile or otherwise interfere with any Supplier Materials provided under this Call-Off Contract without the prior written consent of the Supplier or as otherwise permitted by law; and
- 4.2.4. only take such copies of the Supplier Materials as are reasonably required for the use of the Supplier Materials in accordance with this Call-Off Contract.

5. COMPLIANCE AND AUDIT

- 5.1. Each party shall in connection with the provision or use of the Services (as appropriate) comply with all Applicable Laws which are applicable to that party.
- 5.2. Each party shall permit the other (on reasonable notice and during normal working hours and (save where the party being audited is, or is reasonably suspected of being, in material breach of this Call-Off Contract) no more than once per Contract Year) to audit the first party's compliance with its obligations under this Call-Off Contract in relation to the use of any software, data or other materials. If either party wishes to carry out an additional audit in any Contract Year, it shall reimburse the party being audited for any costs reasonably and properly incurred in connection with supporting such additional audit. The party carrying out the audit shall:
 - 5.2.1. observe the other party's procedures relating to the protection of confidential information about any clients or customers of the other party; and
 - 5.2.2. take all reasonable steps to minimise disruption to the other party's business during such audit.
- 5.3. User Access Devices are (where applicable) provided by the Supplier to enable the Buyer to access and use the Services in accordance with the terms of this Call-Off Contract. The Buyer shall ensure that any User Access Device(s) are not copied, interfered with and/or used in any unauthorised way.
- 5.4. It is the Buyer's responsibility to inform the Supplier of any unauthorised use and/or disclosure of any User Access Device so that the Supplier can suspend or disable that User Access Device as appropriate. The Buyer shall remain liable for any and all fees for the Services incurred in connection with the use of any User Access Device, until the Buyer has informed the Supplier.
- 5.5. Each party will cooperate and share information with the other as reasonably necessary from time to time (including in circumstances where the parties may individually or collectively have caused harm to end consumers) to ensure that both parties discharge their regulatory obligations, and in order to help achieve positive consumer outcomes.
- 5.6. Consumer Duty (where applicable). Without prejudice to the general obligations under Clause 5.5 in respect of consumer harm, each of the parties agree that in the event Consumer Duty applies in the provision or use of the Services (as appropriate), the parties shall comply with Consumer Duty and the following provisions will apply:
 - 5.6.1. Where Consumer Duty applies in the Buyer's use of Services the Buyer must determine itself how to distribute products in a way that supports good customer outcomes.
 - 5.6.2. Permitted Purpose. The Buyer must comply with the provisions of Clause 15.1 including (but not limited to) using the Services in accordance with the Permitted Purpose and any other provisions relating to use of the Services or restrictions on the use of the

Services set out in the Call-Off Contract. In addition to any audit rights described within this Clause 5, the Supplier reserves the right to assess and monitor whether the Buyer is in compliance with the Permitted Purpose and any usage rights and restrictions in the Call-Off Contract and its obligations under this Call-Off Contract. The Buyer will provide the Supplier with any materials the Supplier reasonably requests in order to conduct such an assessment. The Buyer is also obligated to report back to the Supplier any non-compliances with the Permitted Purpose and any usage rights or restrictions. In the event that in the Supplier's reasonable judgement the Buyer's use of the Services is not compliant with the Permitted Purpose or any usage rights and restrictions set out in the Call-Off Contract or the Buyer is in breach of its obligations in relation to Consumer Duty, the following process applies:

- 5.6.2.1. the Supplier will notify the Buyer in writing specifying the non-compliance and grant the Buyer 15 days to remedy any non-compliances and ensure its use of the Services complies with the Permitted Purpose and any usage rights and restrictions.
- 5.6.2.2. If the Supplier in its sole discretion judges the Buyer to still be non-compliant after such remediation period set out in Clause 5.6.2.1, the Supplier reserves the right to suspend the Buyer's use of the Services by serving written notice and grant the Buyer a period of remediation of 28 days after receipt of the suspension notice within which to remedy the non-compliance.
- 5.6.2.3. In the event of the non-compliance being remedied within the remediation period set out in Clause 5.6.2.2 the Supplier will lift the suspension. Otherwise, the Supplier reserves the right to terminate this Call-Off Contract immediately by serving written notice to the Buyer in the event that either:
 - 5.6.2.3.1. the non-compliance is not capable of remedy; or
 - 5.6.2.3.2. the non-compliance is capable of remedy and the Buyer has failed to remedy the non-compliance in accordance with the timelines set out in Clause 5.6.2.2 above.
- 5.6.3. Cross-cutting Rules. The following provisions apply:
 - 5.6.3.1. the parties agree to act in good faith towards retail customers;
 - 5.6.3.2. the parties must avoid causing foreseeable harm to retail customers; and
 - 5.6.3.3. the parties must enable and support retail customers to pursue their financial objectives.
- 5.6.4. Pricing. The Buyer acknowledges that it is its responsibility to ensure it provides fair value and complies with pricing obligations it has under Consumer Duty and the Buyer confirms it will evidence its compliance with PRIN 2A.4 under Consumer Duty.
- 5.6.5. Monitoring. The Supplier reserves the right to assess and monitor whether the Buyer is in compliance with Consumer Duty and is providing good outcomes for retail customers.

The Buyer must monitor the outcomes retail customers receive from any Supplier products, the communications it has with retail customers and the customer support it provides to retail customers. The Buyer agrees to share with the Supplier any documentation or management information ("MI") the Buyer generates as a result of its outcome monitoring involving Supplier products.

- 5.6.6. Reporting. The following provisions apply:
- 5.6.6.1. if the Buyer identifies that it or another firm in its distribution chain is not delivering good outcomes for retail customers, it must promptly notify the Supplier; or
 - 5.6.6.2. where either party identifies or becomes aware of a communication produced by another firm in its distribution chain that is not delivering good outcomes for retail customers, it must promptly notify the issue to the relevant firm in the distribution chain (which may include the other party to this Call-Off Contract); and
 - 5.6.6.3. notwithstanding any suspension of the Services, each party is obligated under Consumer Duty to notify the Financial Conduct Authority if it becomes aware that any other firm in the distribution chain is not or may not be complying with Principle 12 under Consumer Duty. Each party shall be responsible for its own costs incurred in such reporting.
- 5.7. Without prejudice to the general obligations under Clause 5.1, each of the parties shall in connection with this Call-Off Contract:
- 5.7.1. comply with the Anti-Corruption Requirements and the Anti-Slavery Requirements;
 - 5.7.2. not engage in any activity, practice or conduct which would constitute either a UK tax evasion facilitation offence under section 45(1) of the Criminal Finances Act 2017, a foreign tax evasion facilitation offence under section 46(1) of the Criminal Finances Act 2017.
- 5.8. Each party shall have and shall maintain in place throughout the Term its own policies and procedures to ensure compliance with Clause 5.6, including adequate procedures under the Bribery Act 2010, and will enforce them where appropriate.
- 5.9. Each party shall promptly report to the other:
- 5.9.1. any request or demand for any undue financial or other advantage of any kind received in connection with this Call-Off Contract;
 - 5.9.2. any slavery or human trafficking in a supply chain which has a connection with this Call-Off Contract;
 - 5.9.3. any request or demand from a third party to facilitate the evasion of tax within the meaning of Part 3 of the Criminal Finances Act 2017, in connection with the performance of this Call-Off Contract.
- 5.10. If, as a result of (a) any changes in Applicable Law (including any reasonable interpretation thereof); (b) any changes in the supply of third party data used in connection with the Services; or (c) a security vulnerability (other than a Personal Data Breach) which the Supplier reasonably considers may cause consumer harm, the Supplier considers the Services to have become Affected Services the Supplier will be entitled to do one of the following (as applicable) on giving prior written notice to the Buyer (and the Supplier shall, where possible, use reasonable endeavours to give three months written notice):

- 5.10.1. suspend and modify the Affected Services as necessary; or

- 5.10.3. terminate this Call-Off Contract without liability in respect of those Affected Services.

 - 6.1.1. keep the Confidential Information strictly confidential and not use or disclose any part of such Confidential Information to any person except as permitted by or as required for the performance of the recipient's obligations under this Call-Off Contract; and

- 6.3. As a condition of the rights set out in Clause 6.2 the party wishing to exercise the rights must:
 - 6.3.1. ensure that any person to whom it discloses Confidential Information is under an obligation of confidentiality which is substantially the same as set out in this Clause 6 in relation to such Confidential Information; and
 - 6.3.2. procure that such persons observe the restrictions in this Clause 6.
- 6.4. The restrictions in Clause 6.1 do not apply to any information to the extent that it:
