

Pricing Document - Experian Assistant for Model Risk Management

For: G Cloud 15

Notwithstanding anything contained in your invitation to tender documentation, please note that the attached proposal and all accompanying documentation and materials (together called "Response to Tender") and with all of the intellectual property rights contained within it belong to Experian Limited ("Experian") and ownership will not pass to you. You must keep the contents of this Response to Tender strictly confidential. You may only use it for the purposes of assessing the suitability of Experian for carrying out the work you envisage once the tender process is complete. You may not disclose it to any third party without Experian's prior written consent. You must return this information to Experian (at our expense) if we ask you.

Experian does not intend this Response to Tender be a contractual offer or an acceptance of any offer by you. Experian reserves the right to negotiate any terms and conditions that you might have included in your invitation to tender. It is our usual practice to use Experian standard terms and conditions when supplying our services or products and we will be happy to provide a copy of these to you. Pricing is valid for 90 days from date of submission.

In relation to any personal data contained within this Response to Tender (including but not limited to names of Experian personnel within CVs or otherwise), you shall ensure that: (a) you comply with all applicable data protection legislation; and (b) you maintain security and other standards which are equivalent to those with which Experian is required to comply when processing such personal data. For the avoidance of doubt, you shall not transfer any personal data outside the European Economic Area without either Experian's written consent or in accordance with EU Model Terms.

Pricing for Experian Assistant for Model Risk Management

Experian Assistant for Model Risk Management is priced using a tiered subscription model designed to scale with organisational size, model estate complexity, and governance maturity. Pricing reflects a combination of user access, number of supported models, service level, and optional advanced capabilities.

All prices are exclusive of VAT.

Cost	What this covers
Annual subscription (standard) £400,000 per annum	Base EAMRM licence covering up to 30 models per year and 5 users Includes: • Access to the EAMRM platform • Centralised model inventory and documentation • Governance workflows and reporting • 10 consulting hours per year for enablement and adoption • Model monitoring for new models only • Core support service level, required to enable a functioning service
Annual subscription (Premium) £2,500,000 per annum	Enterprise EAMRM licence covering up to 400 models per year and 100 users . Includes everything in the Standard licence, plus: • Increased scale for large model estates • Model monitoring for new and existing models • 100 consulting hours per year, aligned to enterprise usage • Premium support service level, including enhanced response times, escalation handling, and service management engagement
Deployment, integration, and configuration services Quoted separately	Optional services to support integration with client systems, configuration aligned to client governance processes, or enablement beyond standard onboarding.
Exclusions and fair usage	This pricing applies to Experian Assistant for Model Risk Management only and does not replace or amend any existing or future contracts for other Experian products or services. Usage is subject to fair usage within the agreed pricing tier. If the above volume levels are exceeded, there will be a chargeable rate that will need to be discussed
