Digital services for
health and social care

Four overlapping wavy lines in teal, yellow, orange, and dark blue sweep across the bottom of the page.

1 Pricing and ordering

RIVIAM operates a flexible Software-as-a-Service licensing model which means customers do not pay for any support and maintenance, hosting or training. With this model, customers also benefit from the ongoing updates of RIVIAM cloud and RIVIAM's ongoing programme of innovation working with NHS Digital.

1.1 Pricing for Service Name

All prices are quoted ex VAT.

1.2 Invoicing

On commencement of the contract, 80% of the setup costs are due with the remaining 10% on delivery of acceptance testing and the final 10% on go-live.

The annual costs of running the service are invoiced monthly in advance. The monthly charges will commence when the live environment is set up and ready for acceptance testing.

Payment terms of 14 days are requested, and pricing is exclusive of VAT.

For changes or bespoke work, RIVIAM charges a day rate of £750 +VAT for development and £750 +VAT for consulting and strategic engagement.

1.3 Termination

RIVIAM requires three months' notice to terminate a contract.

Retention or destruction of the customer's data on expiry of the contract will be agreed with the customer. There is a fee for this as outlined in our pricing document.
