

Welcome to Infoshare+

Infoshare+ is a UK data and software company aiming to make local public services seamless and connected with the communities they serve. We believe digital should be a shared environment, supporting consistency, efficiency, and better outcomes for all. With our platform of innovative digital solutions, we're a trusted partner to hundreds of public sector organisations across social housing, local government, and social care.

HousingIQ Navigator

Integrated planning for Net Zero and asset investment

HousingIQ Navigator enables housing providers to model long term investment needs by bringing together Net Zero planning capital works and lifecycle maintenance. It supports scenario testing costed options and strategic decision making giving organisations a clear evidence-based view of their whole stock investment profile.

Why choose HousingIQ Navigator?

Designed for strategic investment planning

Navigator supports structured development of long-term energy and Net Zero investment pathways.

Capital works and Net Zero investment planning

Offers strategic decision-making to provide costed budgets.

Accurate investment planning

Enables organisations to create both medium and long-term investment analytics to confidently determine spending budgets with accuracy

Features
