

Intelogy – BitTitan MigrationWiz – Pricing Document

Pricing is based on the number of users and other features – please contact us directly for an accurate quote. Below is an illustration of pricing for Mailbox migration accurate as of January 2026, based on a 12-month term excluding VAT. Intelogy are a licensed reseller of BitTitan products and further details about pricing can be found here: <https://www.bittitan.com/pricing-bittitan-migrationwiz/>, but below are the products we highly recommend for migration user accounts, as opposed to files and documents.

MigrationWiz Mailbox

Full fidelity mailbox migration

Wide roster of supported endpoints

Up to 50 GB of data

Solve more with the User Migration Bundle

Price: \$14 per user

MigrationWiz User Migration Bundle

Single license for mailbox, archives, and documents (OneDrive and Google Drive)

Unlimited Data

Price: \$17.50 per user

Intelogy Professional Services are also available to assist with your Bitan-based migration at our standard SIFA day rates.
