For Cloud Support Services on G-Cloud 15

Jadu is on a mission to become the world's most accessible digital platform.

Our documents are presented in an open format to ensure the content is accessible to everyone.

Lot 3 - Cloud Support

Jadu provides a suite of services to support organisations wishing to implement digital and technology enabled change, as well as leveraging the Jadu Digital Platform as the 'Digital Layer' for their business operations and customer service delivery.

Our services range from Strategic Consulting and Service Redesign, addressing complex challenges, planning and prioritisation, to creative digital design, software development and accessibility training to design and deliver digital platform technology, that is user centred.

Our teams collaborate across data, technology, user experience, and design to help organisations provide accessible and user focused services and experiences.

All Cloud Support Services are priced according to Jadu's DDaT rates, which range from £800 to £1,940 per day. The full range of DDaT roles and rates can be found on our Lot 3 listings.

NOTE: All costs quoted are exclusive of VAT.

Professional services fees are exclusive of onsite travel expenses, which are charged at £250 per day.
