Simplifying digital learning

Learning Nexus

Included

totara PLATINUM ALLIANCE PARTNER

Totara Learn

A powerful, flexible LMS designed to tackle even the most complex learning and development challenges.

Content Collection

Access to 200+ titles in our digital learning Content Collection. All learning is delivered through bite-sized modules, our signature eBytes, and supporting resources.

Implementation

Our implementation process keeps projects on track, reduces complexity, and ensures your platform is set up to meet both learning and business goals.

Training and support

Training and technical support services designed to give your team the confidence, knowledge, and reassurance they need to get the very best from your LMS.

Optional

Totara Perform

An all-in-one suite of performance management tools, designed around productivity and adaptability to help your organisation to get the best from your people while freeing you from the rigidity of traditional performance tools.
