Our Rates

We work with all of our clients to make sure a project is delivered to a high standard. Our pricing is estimated per project and an estimate will be given along with development time before work is undertaken. Our prices are based on our development time multiplied by our day rate. We offer volume discounts as stated below:

General Rates

Item	Day Rate
5-10 Days	£1295
11-20 Days	£1195
21-50 Days	£1095
50+ Days	£995

Specialist Rates

Item	Day Rate
Lead Developer	£1295
Middleweight Developer	£1095
Designer	£1195
Project Manager	£1095

Ongoing Costs

Item	Description	Price
Basic Hosting	Hosting, set up and maintenance of the system as proposed dependent on user levels and product.	From £495
Maintenance	Website/App Maintenance (Annual) [Variable based on Support Tier]	From £550 to £3750+
