Panacea Project Management

Panacea Project Management provides a structured, intuitive SaaS platform for planning, delivering, and monitoring projects across teams and organisations. It supports end-to-end project delivery, combining scheduling, task management, resource allocation, approvals, and document management within a single, secure environment.

The solution enables organisations to track progress against timelines, budgets, and KPIs in real time, providing clear visibility of project performance and workload. Configurable workflows, milestones, and role-based checks support consistent governance while reducing manual administration and duplication of effort.

Panacea Project Management supports collaborative working with internal teams, external suppliers, and partners through role-based access, shared workspaces, and a central document archive. All project activity, documents and correspondence are recorded centrally with clear audit trails, supporting transparency, accountability and effective oversight.

Panacea Project Management can be used as a standalone solution or combined with other Panacea Software modules, including procurement, purchase-to-pay, and contract management. This modular approach allows organisations to extend their use of the platform over time, creating an integrated, scalable workflow that can interface with finance or ERP systems where required, and adapt to evolving operational and organisational requirements.

Users

Most Panacea Software users have Free User access. Typical roles for Panacea Project Management include:

Key User roles:	Free User roles:
Administrator	Client
Project Manager	Supplier
Contributor	

More information about these user roles can be found on our website, [here](#).

"Introducing Panacea Software in Bolton was fundamental to achieving budget savings and implementing new ways of working. It has enabled us to manage all our projects more easily between staff, reduce duplication and provide a clear audit trail." **Karen Johnston, Bolton Council**

Price

The prices below exclude VAT and include an **unlimited number of Free Users**:

Annual Subscription fee¹

Company subscriptions include 2 x Key Users and an unlimited number of Free Users	Optional modules		
	Panacea Project Management	Resource Scheduler	Client Access
Company Subscription ¹	£6,930	£2,030	£2,760
Additional Key Users are priced as set out below.			

Option to add Additional Key Users

Annual Subscription ¹	Panacea Project Management	Resource Scheduler	Client Access
Bundle of 5 x Key Users	£1,980	£1,520	£1,520
Bundle of 10 x Key Users	£3,760	£2,890	£2,890

Implementation and onboarding

One-off fees	Fixed Price	Daily rate
Software set-up ²		£990
Train-the-trainers ³		£990
Free user drop-in sessions ⁴		£990
Data migration ⁵		£990
Single sign-on ⁶	£495	

¹ Annual subscription fees are payable annually in advance. Our maintenance and award-winning support services are included in this fee.

² Set-up fees are charged on a per-implementation basis and are calculated using the published daily rate, depending on the scope and requirements. Fees include project management, data migration, configuration, testing, implementation and branding of the chosen package and users.

³ We recommend a train-the-trainer approach, in which we train your lead users into internal trainers for your company and support them at their initial Key User training sessions.

⁴ To encourage a smooth transition for your suppliers, evaluators and stakeholders we host online onboarding and training sessions for your Free User roles.

⁵ Data migration includes planning, mapping, testing and importing of your data from your legacy solution(s) onto Panacea Software.

⁶ We recommend and can enable single sign-on for your organisation via MS Entra ID (formerly Azure AD).

⁷ Enterprise Subscription is available for organisations requiring a higher number of Key Users. Enterprise Subscription Fees attract the following discounts to our standard rates for additional key users: 5 % discount for 15+ Key Users; 10% discount for 31+ Key

Users; 15% discount for 51+ Key Users; 20% discount for 101+ Key Users; 50% discount for 201 + Key Users.

⁸ Annual subscription fees to Panacea Software include storage of up to 50GB of data. Additional storage is charged per GB per annum as follows: 51-150GB at £4.95 per GB, 151-550 GB at £4.40 per GB, 551-1000GB at £3.85 per GB, 1001+ GB priced using the same tiered approach.

⁹ Additional Panacea Software modules and functionality can be added to the platform for the fees published for these services on G-Cloud 15.

Please email tenders@panacea-software.com or call 0207 976 0116 if you require any further information.

"We implemented Panacea Software to create a truly collaborative way of working with our colleagues and our suppliers, to automate our administration and financial processes and to make our service more efficient. We are very proud of the excellent approval ratings we have achieved and are delighted to have saved the council so much money already. With Panacea we have invaluable management information and I don't think we could manage the volume and range of work we produce without it."

Kelly Law, Kent County Council

"We are always looking to improve our reputation and save time and money for the council. Panacea Software is flexible and is constantly developing and providing us with new opportunities to support these aims."

John Hoang, Tower Hamlets Council

"The software is easy to use, and it is well supported by the responsive and proactive service we receive from Panacea."

Kim Parfitt, Buckinghamshire Council

"The great thing about Panacea's system is that it makes the best use of modern technology and is cut above the competitors in the market."

John Cannon, The Office for Environmental Protection (OEP)
