Cyber Incident Exercising & Tabletop Exercises

Instil delivers cyber incident exercises to test organisational readiness, decision-making, and response under realistic scenarios.

Exercises are designed to challenge processes, roles, and communication.

Features

- Scenario-based tabletop exercises tailored to organisational context.
- Executive and operational team participation.
- Review of escalation paths and decision-making processes.
- Facilitated debrief with improvement recommendations.

Benefits

- Improved preparedness for real cyber incidents.
- Clear understanding of roles and responsibilities.
- Faster and more effective incident response.
- Increased leadership confidence during security events.
