Pricing Document

Pricing

The service is priced based on resource requirements and the required timescale agreed during requirement analysis. Resources will be charged in accordance with the agreed [SFIA] Rate Card and appropriate levels.

Two pricing options are available:

1. **Firm Price:** The firm price will be based on the anticipated resource requirements, including provision for risk. Provision for travel and subsistence costs will be made in accordance with the Framework terms and conditions including the SFIA Rate Card Document standards. Payment will be required against achievement of agreed milestones/payment schedule within the Call Off Contract. Details will be specified in a firm priced quotation and agreed before service commencement.
2. **Limit of Liability:** The limit of liability will be agreed based on an anticipated resource requirement. charges will then be made monthly in arrears against resource effort expended. A limit of liability will also be agreed to cover travel and subsistence, as required. Travel and subsistence costs will be charged at cost, monthly in arrears against costs incurred.

General

The following notes are associated with this service:
