Overview

Service Definition

Gravitas provides consultancy services to Social Housing providers to support the following, associated with the implementation, support, and enhancement of systems:

- Data migration
- Integration
- Reporting/BI
- Quality/governance
- Data Platform

This includes the management and maintenance of data required for statutory reporting obligations in line with regulations such as Building Safety Act.

Services

Gravitas provides consultancy services to Social Housing providers to support with the needs associated with the implementation, support, and enhancement of systems, such as:

- Data migration
- Integration
- Reporting/BI
- Quality/governance
- Data Platform

As part of this service, we can provide consultants with the following:

- Strong Strategy, Design and Business Analysis skills
- Data mapping
- Modelling
- Database design
- Data architecture
- Refinements of reporting/dashboarding requirements
- Continuous stakeholder engagement to ensure the solution aligns to business needs.

We also provide consultants who offer discovery services to help clients identify business requirements, conduct gap/risk analysis, and support with tendering for a new solution/technology.
