One-time Fee: £5,000 (per contract)

Covers

- Standard Onboarding
- Initial configuration

1.4 User Licensing Fees

Platform comes with 20 Users licence.

1.5 Supplier-Specific Schemes

- Volume Discount

Volume-based discounts may be made available based on the Customer's aggregate spend on eligible platform usage and services. Eligibility for any such discounts shall be assessed by reference to the Customer's total annual spend (whether committed or incurred, as applicable) during the relevant contract year. Discounts shall apply prospectively from the point at which the applicable spend threshold is reached and shall not apply retrospectively.

Annual Eligible Spend (GBP)	Applicable Discount Rate
Up to 250,000	0%
250,001 – 500,000	5%
500,001 – 1,000,000	10%
1,000,001 and 2,500,000	15%

Data Masking Services for Non-Prod Oracle Fusion Environments

Annual Eligible Spend (GBP)	Applicable Discount Rate
2,500,001 to 5,000,00	20%
Over 5,000,001	20%

Additional Provisions:

- Discounts apply only to platform usage and services expressly identified in the SOW or the applicable pricing schedule.
- Discounts shall be calculated and applied on a forward-looking basis only and shall not be applied to charges incurred prior to the applicable threshold being met.
- Taxes, duties, third-party charges, pass-through costs, and any expressly excluded services are not eligible for discounts unless otherwise agreed in writing by the Parties.
- All discount thresholds, rates, and eligibility criteria are subject to mutual written agreement and shall be documented in the applicable Order Form, Pricing Schedule, or associated SOW.
