

Microsoft Dynamics 365 Business Central Financial Management Consultancy

Xpedition is a designated Microsoft Partner for ERP (Enterprise Resource Planning), covering the Microsoft Dynamics 365 Business Central 365 solution and its predecessor, Microsoft Dynamics NAV.

Mirroring the Dynamics 365 Customer Engagement CRM and Power Platform services described above, our financial management consultancy includes all elements of project delivering, including:

- Requirements analysis and business case creation
- Discovery workshops to analyse requirements and share best practice.
- Configuration
- Training
- UK-based Helpdesk Support service, please see below for more information on Helpdesk Support.
