

TENANT POSTURE REVIEW

Transform insight into action: Secure, optimise, & align your Microsoft 365 Tenant

The Tenant Posture Review is a strategic assessment designed to optimise your Microsoft 365 environment.

Transparency's experts analyse your tenant against industry best practices and provide actionable insights to enhance security, compliance, and operational efficiency.

KEY ACTIVITIES

1. TENANT ANALYSIS

Review of Microsoft 365 components including Entra, Intune, Teams, Exchange, SharePoint, Defender for O365, and more.

2. CONSULTATIVE DISCOVERY

Stakeholder workshops to clarify business objectives and technology goals, aligning best-practice solutions with a tailored roadmap for your organisation.

3. RISK & OPPORTUNITY ASSESSMENT

RAG-rated findings highlighting immediate risks and quick wins.

4. RECOMMENDATIONS & ROADMAP

Clear, prioritised actions to improve posture and support long-term goals.

BENEFITS

✓ Enhanced Security & Compliance

Identify vulnerabilities and strengthen your Microsoft 365 environment.

✓ Operational Efficiency

Streamline tenant configuration and reduce complexity

✓ Strategic Alignment

Recommendations tailored to your business objectives

✓ Quick Wins & Long-Term Value

Immediate improvements plus a roadmap for sustainable success
