AGREEMENT FOR SOFTWARE SERVICES

completion, expiry or termination of this Agreement in any way question or dispute the ownership of the Third Party Software or Data.

9 Liability

9.1 The following provisions set out each party's entire liability (including any liability for the acts and omissions of its employees) to the other party in respect of:

9.7 Each party hereby agrees to afford the other party such time as is reasonable, following the receipt of a written notice from the non-defaulting party of such breach or negligent act, to enable the other party to take reasonable steps to remedy any Event of Default.

9.8 Nothing in this Clause 9 shall confer any right or remedy upon the Customer to which it would not otherwise be legally entitled.

9.9 The parties hereby acknowledge and agree that the limitations contained in this clause 10 are reasonable in light of all the circumstances.

9.10 The Customer acknowledges and agrees that the allocation of risk contained in this clause 10 is reflected in the Price and is also in recognition of the fact that, inter alia, the Software and Deliverables cannot be tested in every possible combination and therefore the Developer does not warrant that the operation of the Software will be uninterrupted or error free and is not within the Developer's control how and for what purpose the Software and the Deliverables are used by the Customer.

9.11 This clause 9 shall not apply in respect of the Developer's liability under clause 10.3.
