Our Customers

CyberLab is trusted by over 1,200 organisations to secure their operations, systems and data.

"The team are our trusted advisors; on hand to quickly respond to any queries."

Stewart Edwards, IT Security Manager
at South East Coast Ambulance
Service NHS Foundation Trust

"I'd recommend CyberLab not just for their expertise in the whole cyber security area, but for their personalised and professional approach."

Mark Smith, Server Support Manager
at Nottingham City Council

"Working with CyberLab has greatly enhanced our cyber security posture."

Tim Thompson, Operations
Director at Sealey Group

"CyberLab's deep technical knowledge and proactive support have been instrumental in helping us navigate complex threats with confidence."

Warren Yeo, Head of IT
Services at Moat Homes

"We know we are continuously protected around the clock, and with continued support from CyberLab we are able to ensure our solutions are always fit for purpose."

Andrew Chaplin, IT infrastructure
Team Lead at Spicerhaart
