SUMMARY

This document sets out the Pricing associated with the RPC Learn services and forms an important part of the relationship between the Client and RPC, enabling the two parties to work together effectively.

About RPC

RPC UK Limited is a leading specialist in enterprise project management and project controls solutions based on Oracle Primavera technologies. Established in 1992, RPC has evolved from providing Primavera P3 training to becoming a top supplier of project management solutions across the UK and Ireland, serving both public and private sector clients.

With over 30 years of experience, RPC now offers end-to-end services including license provision, solution architecture, implementation, systems integration, hosting, training, and ongoing support. Our expertise spans multiple sectors such as Engineering & Construction, Aerospace & Defence, Utilities, Transportation, and Professional Services.

Since becoming 100% employee-owned in 2023, every team member has a direct stake in RPC, fostering a collaborative culture and strong sense of ownership. Our clients value our integrity, technical expertise, and people-focused approach. As a long-standing Oracle PartnerNetwork member and accredited Primavera partner, RPC holds multiple Oracle specialisms, including Unifier, P6, Oracle Primavera Cloud, and Risk Analysis, actively collaborating with Oracle on product development and innovation.

Recognized for excellence, RPC was named Oracle Global Partner of the Year - Construction & Engineering Industry Solutions in 2025 for our work in licensed NEC4 Contract Management solutions for Oracle Unifier. We deliver comprehensive project controls capabilities, including Earned Value Management, Contract Management, Change Management, Risk Management, and secure cloud-based Primavera P6 hosting. Our global track record and people-first culture enable clients to manage projects with confidence and transparency.

RPC Learn

At RPC, all our trainers are experienced in delivering training in a wide range of locations and situations, as required. We offer classroom training at our base in Leeds and a range of public or closed sessions, depending on the number of delegates you wish to book for. We also offer online public or closed training courses, following the same curriculum, but delivered over Microsoft Teams. Or our trainers can come to your own offices – and even tailor courses to your own specific industry or requirements.

Our Training Courses

We offer a range of Oracle Primavera P6 training, for beginners and for those seeking to extend their skills to a more advanced level. You can choose between P6 Professional and P6 Enterprise Project Portfolio Management (EPPM) as well as courses to develop an understanding of P6 application administration, dashboards and reporting, Earned Value Management, managing risk and more

Learning Consultancy Service

Provides support when you require a bespoke learning solution or tailored course content to meet the specific needs of a programme. We work with clients across multiple industry verticals and with companies of all sizes to provide custom courseware and learning and development solutions that are objective focused and built around return on investment.

For all bespoke Training requirements RPC can be engaged using the RPC Consultancy Service which can also be found on G Cloud with associated Pricing and Terms and conditions

RPC UK Ltd is based in a semi-rural setting on the edge of Guiseley, West Yorkshire.

In 2023, RPC UK Ltd transitioned to a 100% employee ownership model, in which every member of our growing team has an equal stake in the business, reinforcing and fostering the exemplary team ethos and high level of client satisfaction of which we were already very proud.

Oracle Primavera Specialists

RPC UK Limited (RPC) is the UK and Ireland's foremost supplier of enterprise project management and planning solutions.

Having been an accredited Primavera partner since 1992, we are now a member of the Oracle Partner network in the Cloud Sell and License and Hardware tracks.

Delivering Software Solutions

RPC has gained a strong reputation for successfully delivering tailored and integrated project controls software solutions to our clients in boutique to blue chip organisations in both the public and private sectors. We work across multiple industry verticals with particular expertise in the following areas:

- Engineering and Construction
- Aerospace and Defense
- Travel and Transportation
- Utilities
- Professional Services

We configure and implement solutions built in the Oracle Primavera toolset and also develop our own custom solutions to expedite the execution of common project controls processes including Earned Value Management, Contract Management, Risk Management, Change Management and more.

Alongside this, we also offer Primavera P6 Hosting on a secure Oracle Cloud Infrastructure platform and a subscription Support service.

Oracle Primavera Training

RPC is an Oracle Approved delivery partner for Primavera product education and training throughout the UK and Ireland, and we deliver training to clients worldwide, both in person and via our online training model.

We can deliver standard curriculum courses or bespoke training, as required, from our own training venue on the outskirts of Leeds, on client premises or online via Microsoft Teams. We also offer eLearning via our own hosted platform, for delivery via a client's own LMS system or fully bespoke as an enterprise solution.

Oracle Global Partner of the Year

In 2025, RPC was awarded the Oracle Global Partner of the Year Award in the Construction and Engineering Industry Solutions category in recognition of our innovative work in creating and licensing to Oracle a NEC4 Contract Management solution for Oracle Unifier. This global award puts RPC firmly on the map as the UK's Oracle Primavera Partner of choice and aligns with our company mission to create and deliver Oracle project controls solutions that empower project teams.
