Adzuna Labour Market Data terms and conditions

For the delivery of labour market data as bulk/raw data files, terms and conditions are subject to commercial application. For delivery via API, our terms and conditions are attached below.

Adzuna API Terms of Service

Permissible Use

The Adzuna API may be used for:

1. Publishing Adzuna ad listings
2. Publishing Jobsworth salary estimates
3. Personal or undergraduate research

Any other use of the API by a commercial or government organisation must be agreed in advance with Adzuna by contacting us [here](#), and may be subject to a subscription fee.

API user Obligations

Adzuna API users are encouraged to publish Adzuna listings, salary estimates and/or data, provided they comply with the following requirements:

1. Publishing Adzuna ad listings:

An API user shall label each displayed advert with the phrase "Jobs by Adzuna" at least 116 X 23 pixels in size, wherein the word "Jobs" shall be hyperlinked to <http://www.adzuna.co.uk> or the relevant local domain and the word "Adzuna"

shall be the Adzuna Logo Image and shall also be hyperlinked to <http://www.adzuna.co.uk> or the relevant local domain.

Adzuna Logo images can be found at: <http://www.adzuna.co.uk/press.html>

2. Publishing Jobsworth salary estimates:

An API user shall label every Jobsworth salary estimate that they publish with an icon at least 20 x 20 pixels in size and the word "Adzuna Jobsworth". Both elements will link to <http://www.adzuna.co.uk/jobs/salary-predictor.html>. An API user will add the following mouseover text to these links: "Salary estimate powered by Adzuna Jobsworth"

3. Personal or academic research:

An API user shall acknowledge Adzuna as the source of all salary and vacancies data wherever it is published. References should refer to: "The Adzuna API" and link to <http://www.adzuna.co.uk/> or the relevant local domain.

Termination

Adzuna reserves the right in its sole discretion to suspend an API user's participation in the Program if it suspects any violations of its terms of service.

Either party may terminate this Agreement at any time. To notify Adzuna of termination simply email [info \[at\] adzuna \[dot\] com](mailto:info@adzuna.com). Upon termination of this agreement, for any reason and by either party, an API user shall immediately remove all insertion codes and data acquired from Adzuna from all pages of its web sites.

Confidentiality

An API user shall not disclose Adzuna Confidential Information without Adzuna's prior written consent. "Adzuna Confidential Information" includes without limitation: (a) all Adzuna software, technology, programming, specifications, materials, guidelines and documentation relating to the Program; (b) click-through rates or other performance statistics relating to the Program provided to an API user by Adzuna.

An API user agrees to direct all queries via Adzuna. Any attempt to contact a third party, even where they provide listings content, will be considered a breach of these terms

and conditions. If an API user contacts a third party content provider their access to the API will be revoked immediately.

Any usage that appears to be an attempt to extract Confidential Information for commercial reuse will immediately be considered a breach of these terms and conditions. Creation of multiple accounts for a single entity or individual will immediately be considered misuse and a breach of these terms and conditions.

Miscellaneous

Adzuna reserves the right to change the Terms of Service at any time.
