SAP Business Data Cloud Core Capacity

Delivered Software as a Service. SAP Business Data Cloud offers a range of services including SAP Datasphere, SAP Analytics Cloud, SAP Business Warehouse, Private Cloud and SAP Databricks.

Pricing is based on a metric of Capacity Unit. Initial minimum blocks of Capacity Units are 640.

Capacity Unit is a ratio of services consumed via the Cloud Service. Capacity Units are calculated based on SAP Analytics Cloud users, and data storage and processing services.

Customers must attach an Intelligent App or Customer-Managed Data Products. Customer-Managed Data Products is a flat fee.

All Pricing is subject to the necessary internal management approvals.

Pricing guidance provided in the table below:

Metric	Volume	List Price / Unit	Currency	Fee Basis
Capacity Unit	1+	£0.79	GBP	Per Month

- All prices exclude VAT
- Prices increase on the annual contract anniversary by 3.3% on an annual basis
- Core services such as backup, recovery, and regular upgrades are covered and included in the subscription fee
- Solution support is not included in the subscription
- You can choose to deploy the complete solution, or you can address your immediate business needs first, and phase adoption over a period of time
- For full detailed pricing and calculations of Capacity Units, please contact us
- Discounts are available upon request

Customer Managed Data Products

Delivered Software as a Service. Customer-Managed Data Products provides accelerator content, enabling data ingestion and the creation of data products from customer-managed SAP application sources.

Pricing is based on a Flat Fee per month.

Flat Fee is a fixed fee for the Cloud Service.

All Pricing is subject to the necessary internal management approvals.

Pricing guidance provided in the table below:

Metric	Volume	List Price / Unit	Currency	Fee Basis
Customer-Managed Data Products	1	£1,181.70	GBP	Per Month

- All prices exclude VAT
- Prices increase on the annual contract anniversary by 3.3% on an annual basis
- Core services such as backup, recovery, and regular upgrades are covered and included in the subscription fee
- Solution support is not included in the subscription
- You can choose to deploy the complete solution, or you can address your immediate business needs first, and phase adoption over a period of time
- For full detailed pricing and calculations of Capacity Units, please contact us
- Discounts are available upon request

People Intelligence

Delivered Software as a Service.

Pricing is based on a metric of User.

All Pricing is subject to the necessary internal management approvals.
