NTT DATA Life Sciences Accelerated

NTT DATA Business Solutions offers a full range of services that complement your RISE with SAP solution and address your full technology stack.

Life Sciences Accelerated is NTT DATA's proven, industry-specific method and accelerator suite designed to de-risk, streamline, and speed up SAP S/4HANA programmes in regulated environments. The approach is built on GAMP5 principles, aligned with global regulatory expectations (GxP, FDA, EMA, MHRA), and enriched by over 25 years of NTT DATA life sciences and SAP delivery expertise. It enables organisations to move faster while maintaining audit-ready compliance and validation integrity from day one. Standard pricing includes 24 hours, 7 days a week for Priority 1 incidents and UK 9-5 Monday – Friday for Priority 2-4 incidents.

All Pricing is subject to the necessary internal management approvals.
