Nativion DCS Migrate

License Fee

The software license fee is a monthly subscription for the duration of the time that the software is required; typically from the availability of the source systems and onboarding of the project resources until the end of the project support phase (e.g. end of HyperCare).

License	Price	Currency	Fee Basis
Nativion DCS Migrate	£15,000.00	GBP	Per Month

- Licensing is done per system and productive client (e.g. License for client 100 on Production also covers client 100 on Development, Training, Sandbox, Quality and Pre-Production systems). License includes DCS maintenance, important corrections, patches and releases.
- Please note: If you have purchased a DCS Migrate licence, DCS Analyze is also included during the same licence period and duration.
- Fixed price agreements with special discounts are available for projects durations exceeding 18 months or multi-system projects.
- Converted pricing in other currencies is available to facilitate multi-national projects.
- Prices increase on the annual contract anniversary by 3.3% on an annual basis
