Nativion DCS Retire

License Fee

The software license fee for DCS Retire is an annual 12-month subscription.

License	Price	Currency	Fee Basis
Nativion DCS Retire	£14,000.00	GBP	Per Year

To enable the one-time move of the data to be retired, a 1-month license for DCS Migrate is required.

License	Price	Currency	Fee Basis
Nativion DCS Migrate	£15,000.00	GBP	Per Month

- Licensing is done per source system and source productive client (e.g. License for client 100 on Production also covers client 100 on Development, Training, Sandbox, Quality and Pre-Production systems).
License includes DCS maintenance, important corrections, patches and releases.
- Fixed price agreements with special discounts are available for projects durations exceeding 18 months or multi-system projects.
- Prices increase on the annual contract anniversary by 3.3% on an annual basis

Hosting

DCS Retire requires also a server & storage hosting, which can be either in the customers own landscape, through 3rd party hosting services, or be provided by NTT.

The annual hosting fee for the data in the DCS Retire depends on the size of the data to be stored. Below is an example for a 5TB storage as guidance.

License	Price per Year	Currency	Fee Basis
Hosting Nativion IDS – 5TB	£8,000.00	GBP	Per Year

- Converted pricing in other currencies is available to facilitate multi-national projects.
- Prices increase on the annual contract anniversary by 3.3% on an annual basis
