SAP BTP Enterprise Agreement

Delivered Software as a Service.

Pricing is based on a metric of Cloud Credit, which is defined as the total prepaid amount of money available for the consumption of eligible services for the Cloud Service with a minimum annual spend of £8,752 per year.

The metric has a yearly entitlement and depletes with usage.

All Pricing is subject to the necessary internal management approvals.

Pricing guidance provided in the table below.

Metric: Cloud Credit	List Price / Unit	Currency	Fee Basis
Value Purchased	100%	GBP	Per Year

- All prices exclude VAT
- Prices increase on the annual contract anniversary by 3.3% on an annual basis
- Core services such as backup, recovery, and regular upgrades are covered and included in the subscription fee
- You can choose to deploy the complete solution, or you can address your immediate business needs first, and phase adoption over a period of time
- For full detailed pricing, please contact us

The SAP BTP Enterprise Agreement provides a mechanism to purchase 'credits' for the purchasing of cloud services available on the Business Technology Platform. An annual value is purchased – and the value is then consumed via the subscription prices quoted on the SAP Discovery Centre.

The available services on the Business Technology Platform are listed here:

<https://discovery-center.cloud.sap/viewServices?commercialModel=btpea®ions=all>

This site also provides the ability to cost the required services per month – to inform the value of BTP Enterprise Agreement credits to be purchased.
