Customised eLearning

Pricing Document

CourseKit Pricing

Aurion's CourseKit essential online training courses are highly cost effective: no subscriptions, no user limits, no annual fees, just a one-off cost.

1 Course	3 Courses	5 Courses
£1,995	£4,995	£7,995
(Unlimited Users)	(Unlimited Users)	(Unlimited Users)

Customisation effort is scoped upon request and charged at £600 per day.

If required, Aurion can also provide training in the Articulate Storyline 360 authoring tool to enable client teams to update CourseKits in-house. Training is charged at £1,200 per day, for groups of up to 8 participants. Travel & subsistence within the UK, outside Northern Ireland, is charged at £150 per day.

Customised eLearning Pricing

Costs cover the development of customised eLearning, including content planning, storyboarding, implementation, QA and project management.

Any additional effort required to complete the work is charged at a rate of £600 per day.
Travel & subsistence within the UK, outside Northern Ireland, is charged at £150 per day.
