Learning Portals

Pricing Document

Learning Portals Pricing

	Year 1 (ex VAT)	Year 2 Onwards (ex VAT)
Learning Portal	£56,250	£26,250

Year 1 costs include requirements gathering, configuration, training, hosting, licence and maintenance of the portal.

Year 2 onwards costs are annually recurring and include hosting, licence and maintenance.

Additional support is recommended to cover reactive first line support and review meetings. These costs are additional to the portal costs outlined above, and are detailed on the 'Support Pricing' page below.

Travel & subsistence within the UK, outside Northern Ireland, is charged at £150 per day.

All costs are presented ex VAT.

Support Pricing

	Cost (ex VAT)
Standard	£3,000 per annum
Enhanced	£5,000 per annum
Custom	Charged at £600 per day

Standard: Aurion's Standard support package includes up to 25 hours of support. Unused support cannot be rolled over into the next year. The scope of support activities includes user support.

Enhanced: Aurion's Enhanced support package includes up to 50 hours of support. Up to 10 hours of unused support can be rolled over into the next year, if an additional year of support is purchased. The scope of support activities includes user support and client account activities: 6-monthly online review call to review and feedback on the overall management of the project; quarterly progress report / support ticket report to highlight trends and identify opportunities for improvement or new features.

Custom: Aurion's Custom support package is designed for large-scale projects requiring more intensive support provision. Up to 20% of unused support can be rolled over into the next year, if an additional year of support is purchased. The scope of support activities includes user support and client account activities: 6-monthly online review call to review and feedback on the overall management of the project; quarterly progress report / support ticket report to highlight trends and identify opportunities for improvement or new features; 1 x steering group / strategic review meeting to review and feedback on service provision and the overall management of the project.

Travel & subsistence within the UK, outside Northern Ireland, is charged at £150 per day.

All costs are presented ex VAT.
