G-Cloud 15 – Cloud Support Services (CSS)

Service Definitions

January 2026

Demystify **Security** Ltd is a UK-based **Cyber Security** consultancy delivering practical, proportionate **Assurance** and advisory services to public sector organisations. We help organisations design, assess and operate secure **Cloud** services aligned to UK government and **NCSC** guidance.

Further information is available at <https://www.demystifysecurity.com>

Pricing

Please refer to the Demystify **Security** Ltd pricing document for applicable rates. Pricing is based on a fixed daily rate aligned to SFIA levels and the scope of the engagement.

Invoicing Process

Invoices will be submitted monthly in arrears subject to our terms and conditions. Payments can be made by BACS or purchase order. Payment is expected within 30 days or as agreed with CCS framework terms.

Customer Responsibilities

Customers will ensure relevant organisational resources are available, and provide timely access to personnel, documentation, systems and environments required to deliver the service.

Services

Service name	Virtual CISO
Service description	Demystify Security Ltd provides Virtual CISO services delivering strategic cyber security leadership without the cost of a full-time executive.

	We support governance, risk management, compliance, incident readiness and security roadmaps, working alongside senior stakeholders and delivery teams to improve security maturity and resilience. Customers benefit from pragmatic, outcome-focused leadership aligned to organisational priorities and UK government and NCSC expectations.
