Pricing & SFIA Rate Card

G-Cloud 15

Marvell Consulting

Subscription pricing (includes Standard support)

Each Environment includes hosting, monitoring, patching, and Standard support.

Tier A: Standard Environment

Price: £6,500 per month per Environment

Includes:

- Up to 200 named internal user accounts
- Up to 5,000 published catalogue entries
- Up to 2 TB stored resources/files (if enabled)
- API access (rate-limited per Environment)

Tier B: Enhanced Capacity Environment

Price: £11,000 per month per Environment

Includes:

- Up to 500 named internal user accounts
- Up to 25,000 published catalogue entries
- Up to 5 TB stored resources/files
- Higher API throughput limits than Tier A

Tier C: High Capacity Environment

Price: £25,000 per month per Environment

Includes:

- Up to 1,000 named internal user accounts
- Up to 100,000 published catalogue entries
- Up to 20 TB stored resources/files
- Higher API throughput limits than Tier B

Subscription pricing (includes Standard support)

Volume discounts (multiple Environments)

Discounts apply where a buyer purchases multiple Environments concurrently:

- 1st Environment: 0% discount (full price)
- 2nd Environment: 10% discount on that Environment's monthly price
- 3rd and subsequent Environments: 20% discount on each additional Environment's monthly price

Support add-ons (optional)

Standard support is included. Buyers may add:

- Enhanced Support: £1,250 per month per Environment (extended hours and named operational point of contact)
- Premium Support: £2,750 per month per Environment (24/7 P1 on-call and enhanced operational assurance)

Additional usage (optional)

If usage exceeds included allowances, the buyer can purchase additional capacity:

- Additional named users: £6 per user per month
- Additional storage: £200 per additional 100 GB per month
- Increased API throughput pack: £1,000 per month per pack
- Bulk import/harvesting throughput pack: £1,000 per month per pack

Onboarding and migration services (optional)

- Onboarding (remote enablement and pilot publishing workflow support): £2,500 per Environment (one-off)
- Metadata migration / import support: £850 per person-day
- Identity federation (SAML/OIDC) configuration support: £1,700 (one-off per Environment)
- Harvesting source setup / connector configuration: £850 per person-day
- Custom theming / information architecture changes: £850 per person-day
- Custom reporting pack: £850 per person-day

Marvell Consulting

Subscription pricing (includes Standard support)

Integrations and customisation (optional)

- Identity federation (SAML/OIDC) configuration support: £1,700 (one-off per Environment)
- Custom validation/workflow development: £850 per person-day
- Custom reporting pack: £850 per person-day

Data extraction and exit support

Included at no additional cost:

- One standard export run of published datasets and metadata via UI/API as part of normal offboarding.

Chargeable (if required)

- Additional export run (repeat extraction): £850 per person-day
- Bespoke export format or data mapping/transformation: £850 per person-day
- Secure transfer setup to buyer-managed UK location (where needed): £850 per person-day

Training (optional)

Remote training session (up to 2 hours): £850 per session

Onsite training day: £1,900 per day (plus buyer's agreed travel and subsistence at cost)

End of contract

Following a minimum term of 6 months, one month's notice is required to terminate the contract.

Billing

Subscription charges are invoiced monthly in arrears, unless otherwise agreed in the Call-Off Contract.

Marvell Consulting
