

Virtual WARP

1) Virtual warp membership service; weekly threat intelligence via a weekly newsletter. Daily alerts, access to warp portal. Portal provides advice and guidance. £ 900.00 plus VAT per seat. Second and subsequent seats in the same organisation are £ 450.00 plus VAT.

The basic services gives you one seat on each:

- **Access to alerts sent by email.**
- **Account on our closed KTAC collaboration system**
- **Access to our SLACK service**
- **Access to our telephone support service.**
- **Weekly OSINT Newsletter**

2) Remote collaborative peer support during a cyber incident. This is NOT a Cyber Incident Response Service, it is peer level collaborative support as part of the WARP Trusted Sharing Service. We will guide you and signpost guidance. This does not include any root cause analysis or forensics.

SIRO / IAO Network (Training and Support)

We provide a similar service to SIRO's and IAO's, there is a two hour remote training course for the SIRO & IAO's and twelve months of SIRO support and guidance, covering Risk Management, Information Assurance and Cyber Threat Intelligence. The Service is £ 8,000.00 plus VAT.

The service includes document review, advice and guidance to the organisations SIRO and IAOs.

Virtual WARP CAF Support

We provide virtual WARP CAF Support, offering advice and guidance to help you prepare for your CAF assessment and audit. Service fees are bespoke according to need. Starter packages are £ 3,000.00 plus VAT to provide advice and guidance to support particular aspects of the CAF assessment. This is NOT a full support or audit service. We can provide those separately.

Cyber Exercising

We will provide a bespoke Cyber discussion Exercise remotely via team to test an aspect of your operations you specify. We can provide anything from a two – four hour remote exercise costs ranging from £ 3-6,000.00 plus VAT. We can provide on-site exercises at additional cost and expenses.

Cyber Plan Review

In conjunction with the CAF support, we can review your of your current Cyber Plans / Playbooks. This service is delivered remotely and costs between £3-6,000.00 Plus VAT. We can provide the service on-site at additional cost and expenses.

Virtual CISO

We can provide other strategic support services, advice and guidance through the virtual CISO service. This is bespoke, in conjunction with the SIRO Support Network, CAF and Cyber Exercising services. The scope and costs vary according to the requirement, starting at £ 9,000.00 plus VAT. We can deliver aspects on-site at additional cost and expense.
